Interior Design Visual Presentation Maureen Mitton, 2007-04-27. The new updated edition of the successful book on interior design, *Interior Design Visual Presentation*, Second Edition, is fully revised to include the latest material on CAD digital portfolios, resume preparation, and Web page design. It remains the only comprehensive guide to address the visual design and presentation needs of the interior designer, with coverage of design graphics, models, and presentation techniques in one complete volume. Approaches to the planning, layout, and design of interior spaces are presented through highly visual, step-by-step instructions, supplemented with more than forty pages of full-color illustrations, exercises at the end of each chapter, and dozens of new projects. With the serious designer in mind, it includes a diverse range of sample work from student designers as well as well-known design firms such as Ellerbee and Beckett Architects and MS Architects.
