A basic premise of the National Response Framework is that: ANS A.
Incidents should be managed at the lowest jurisdictional level

Select the FALSE statement ANS The framework mandates that the
private sector entities responsible for critical infrastructure and key resources
develop and exercise contingency plans

If an incident grows beyond the capability of local jurisdiction, then:
ANS The state activates its emergency plan, provides needed resources,
and requests assistance from other states using existing mutual aid agreements

When developing protocols that promote situational awareness, priority should
be given to:

Providing the right information at the right time

Improving and integrating national reporting

Linking operations centers and tapping subject matter experts

And ANS Standardizing reports

Whose duties include operation of the NRCC, the effective support of all
emergency support functions, and , more generally, preparation for, protection
against, response to, and recovery from all-hazards incidents? ANS
FEMA Administrator
