**IDEM's Guide for Citizen Participation** Indiana. Department of Environmental Management, 2002 **Getting Involved in Environmental Decision Making** Indiana. Department of Environmental Management, 2001 **Models for Change**, 2002 Citizens' Participation Manual, 1991 Environmental Racism and Classism Anne C. Cunningham, 2016-12-15 Flint's water supply tainted with lead Chicago's toxic donut Louisiana's cancer alley Corporate waste poisoning developing nations These are all examples of environmental racism Readers of this compelling anthology will be awakened to many examples of poor and minority communities that suffer physically emotionally and financially from living in a toxic environment With no political clout and few available resources these victims find themselves abandoned by the environmental movement and bullied by environmental policies The burgeoning environmental justice movement argues that environmental protection is a basic right After reading the informative viewpoints in this volume students will come to their own conclusions **Environmental Impact Assessment, NEPA National Environmental Policy Act and Related Requirements**, 2004 Environmental Law, 2004 The Journal of Law in Society, 2003 **Technical guide** Indiana. Department of Environmental Management, 1991 The European Atomic Energy Community in the European Union Context Iliana Cenevska, 2016-04-26 Iliana Cenevska's new book The European Atomic Energy Community in the European Union Context The Outsider Within explores the unique nature of the Euratom Community as an entity that establishes a supranational regulation in the civil nuclear industry which while formally belonging to the European Union construct is coincidentally somewhat kept outside the mainstream developments in the Union The book surveys Euratom's status as an outsider within the European Union through the correlation between the principles and mechanisms particular to the functioning of the Euratom legal framework and those devised under the Union framework *stricto sensu* focusing on two specific areas nuclear safeguards and health and safety in the nuclear domain **The Cambridge Handbook of Competition Law Sanctions** Tihamer Tóth, 2022-06-23 This handbook brings together an international roster of competition law scholars and practitioners to address the issue of sanctions in competition law from all angles Covering nineteen jurisdictions around the world the book analyzes the theoretical foundations and practice of sanctioning competition law infringements and most importantly cartels Contributors include a range of experts drawing on criminal law company law labor law human rights and law and economics to determine what sanctions are available as a matter of positive law against corporations and individuals including fines and other criminal administrative and civil law sanctions whether law enforcers are using these sanctions effectively and if new sanctions including individual sanctions should be introduced **Handbook of Research on Advanced ICT Integration for Governance and Policy Modeling** Sonntagbauer, Peter, Nazemi, Kawa, Sonntagbauer, Susanne, Prister, Giorgio, Burkhardt, Dirk, 2014-06-30 As governments and policy makers take advantage of information and communication technologies leaders must understand how to navigate the ever shifting landscape of

modern technologies in order to be most effective in enacting change and leading their constituents The Handbook of Research on Advanced ICT Integration for Governance and Policy Modeling builds on the available literature research and recent advances in e governance to explore advanced methods and applications of digital tools in government This collection of the latest research in the field presents an essential reference for academics researchers and advanced level students as well as government leaders policy makers and experts in international relations

*A Risk-Management Strategy for PCB-Contaminated Sediments* National Research Council, Division on Earth and Life Studies, Board on Environmental Studies and Toxicology, Committee on Remediation of PCB-Contaminated Sediments, 2001-05-07 This book provides a risk based framework for developing and implementing strategies to manage PCB contaminated sediments at sites around the country The framework has seven stages beginning with problem definition continuing through assessment of risks and management options and ending with an evaluation of the success of the management strategy At the center of the framework is continuous and active involvement of all affected parties particularly communities in the development implementation and evaluation of the management strategy A Risk Management Strategy for PCB Contaminated Sediments emphasizes the need to consider all risks at a contaminated site not just human health and ecological effects but also the social cultural and economic impacts Given the controversy that has arisen at many PCB contaminated sites this book provides a consistent yet flexible approach for dealing with the many issues associated with assessing and managing the risks at Superfund and other contaminated sites
