Tucker, Sandra Van Winkle, 2013-12-16. Libraries are public places open to anyone and everyone. This book contains invaluable practical tips for library staff who sometimes must deal with difficult or even dangerous individuals and situations. Every library experiences difficult patrons. Thorough preparation is the best defense; it's always much better to be proactive than reactive. The authors of *Crash Course in Dealing with Difficult Library Customers* realized that these kinds of situations are more universal than unique despite the great variations in library environments and customer bases and pooled their more than 100 years of experience to offer practical advice that will help library staff prepare for the many kinds of worst case scenarios before they arise. The book identifies the basic types of problem causing individuals, thoroughly overviews effective strategies for offsetting their actions and explains how to successfully manage the stressful emotionally charged situations that can arise. Drawing on their extensive real world experience, the authors provide instructions for last resort options when dealing with illegal activities, acknowledge the rights of employees in difficult situations and present strategies that will minimize staff members stress levels when dealing with patrons. While this book will be extremely valuable to public library staff, it addresses common situations that can happen in public service at any type of library. Administrators who need to develop policies to protect their staff and their users will also find this unique work essential reading. *Street Negotiation: How to Resolve Any Conflict Anytime* Tristan J. Loo, 2006-03. We all want to get other people to see our way, but their conflicting views are the reason why frustration and anger occur. No matter who you are dealing with, *Street Negotiation* can show you how to diffuse conflict and reach agreements. **The Complete Idiot's Guide to Coping With Difficult People** Arlene Uhl, 2007-05-01. Easy ways of dealing with difficult people. Psychotherapist Arlene Matthews Uhl offers the most effective strategies for dealing with difficult people from strangers and co-workers to friends and family by characterizing the four major types and revealing specific methods to cope with them in every aspect of life. Jargon free practical advice and strategies for home and at work. Unique approach based on behavioral patterns, not simply personality types. Includes tactics on diffusing tense encounters in any situation. Features tips for cutting the cord when personal relationships become too difficult. *Environmental Communication. Second Edition* Richard R. Jurin, Donny Roush, K. Jeffrey Danter, 2010-07-20. Environmental professionals can no longer simply publish research in technical journals. Informing the public is now a critical part of the job. *Environmental Communication* demonstrates step by step how it's done and is an essential guide for communicating complex information to groups not familiar with scientific material. It addresses the entire communications process from message planning, audience analysis and media relations to public speaking skills, a good communicator must master for effective public dialogue. *Environmental Communication* provides all the knowledge and tools
