If On A Winters Night A Traveler:

If on a Winter's Night a Traveler Italo Calvino, 1981 Italo Calvino's classic multifaceted novel about writing and readers

If on a Winter's Night a Traveller Italo Calvino, 2006 **If on a Winters Night: Vintage Christmas** Italo Calvino, 2015-10-22 The promise of reading is enough Calvino's masterpiece opens with a scene that's reassuringly commonplace apparently Indeed it's taking place now A reader goes into a bookshop to buy a book not any book but the latest Calvino the book you are holding in your hands Or is it Are you the reader Is this the book Beware All assumptions are dangerous on this most bewitching switch back ride to the heart of storytelling Understanding Italo Calvino Beno Weiss, 1993 Highlights Calvino's fascination with folk tales knights social political allegories science fiction **The Novel** André Brink, 1998-04-30 The postmodernist novel is renowned for the extremes of its narcissistic involvement with language but in this book the author argues that this self-consciousness has been a characteristic of the novel since its earliest stirrings **Waiting for the End** Earl G. Ingersoll, 2007 Waiting for the End examines two dozen contemporary novels within the context of a half century of theorizing about the function of ending in narrative That theorizing about ending generated a powerful dynamic a quarter century ago with the advent of feminist criticism of masculinist readings of the role played by ending in fiction Feminists such as Theresa de Lauretis in 1984 and more famously Susan Winnett in her 1991 PMLA essay Coming Unstrung were leading voices in a swelling chorus of theorist pointing out the masculinist bias of ending in narrative With the entry of feminist readings of ending it became inevitable that criticism of fiction would become gendered through the recognition of difference transcending a simple binary of female male to establish a spectrum of masculine to feminine endings regardless of the sex of the writer Accordingly Waiting for the End examines pairs of novels one pair by Margaret Atwood and one by Ian McEwan to demonstrate how a writer can offer endings at either end of the gender spectrum *Who Says This?* Welch D. Everman, 1988 Who or what gives the text its authority Everman offers three main sources of authority the author the discourse and the reader His first section examines the authority of the author by studying the works of contemporary American writers An essay on docufiction focuses on the paradox of using the techniques of fiction to discover reality The probability of writers revealing truths about themselves is exemplified by Raymond Federman's quasi autobiographical novels The second part discusses the authority of discourse challenging writers with the possibility that literary form not the author is the major force in creating works The final section explores the authority of the reader Italo Calvino's *If on a winter's night a traveler* makes the reader the main character of the novel and implicates him in its creation **Literary Philosophers** Jorge J. E. Gracia (ed), Carolyn Korsmeyer, Rodolphe Gasché, 2002 First published in 2002 Routledge is an imprint of Taylor Francis an informal company **If on A Winter S Night A** Italo Calvino, 2010-12-23 **Everyone's Blog Novel** Jon Morgan Davies, 2015-09-07 Everyone wants you to read the book on which he or she is working a novel everyone is writing in order to find the meaning of life with which everyone's spouse ran off But everyone

has to finish the novel before everyone can know where the novel begins In the meantime there are all these distractions such as the twelfth floor window at the office building where everyone works out of which people or maybe just one person keeps jumping or falling everyone isn't sure or everyone's sexy coworker Sam whom everyone is struggling valiantly against to keep from becoming a paramour It's kind of pitiful actually the way everyone keeps begging you to read sending you e-mails dropping it into conversation I have a book you know posting links to it on social networking sites Everyone figures that if he or she begs enough you will break down and try it [If on a Winter's Night a Traveller](#) John Gatt-Rutter,1995 **Read**

This if You Want to Be a Great Writer Henry Carroll,Ross Raisin,2018-04-30 This book demystifies the writing process empowering you to write your own novel or short story The author explains expert technique in a clear and jargon free way with examples from twenty five masters of prose For aspiring writers of all ages and abilities Read This If You Want to Be a Great Writer will motivate and strengthen your writing talent **Challenging Theory: Discipline After Deconstruction**

Catherine Burgass,2019-01-04 First published in 1999 this volume perceives that English literature is under threat as an academic discipline In Challenging Theory Catherine Burgass warns against the recent trend towards the conflation of literature teaching with cultural studies in British and American universities Focusing on theory of deconstruction as developed by Jacques Derrida in the 1960s the book redresses some common misinterpretations of Derrida's work relating to the status of metaphysical oppositions Part One discusses textual differences and the ways in which these may dissolve and reform according to different cultural contexts The practical issues associated with teaching literature and literary theory in universities are examined in Part Two while Part Three highlights some of the more invidious claims of literary theorists and questions the value of metaphysical analysis as a tool for political critique Challenging Theory tackles an important debate that lies at the heart of humanities teaching It illuminates the impact on academia of the work of critical theorists over the last thirty years and provides a platform for future reassessment of the relationships between literature philosophy and theory **Occasional Prose** Mary McCarthy,2013-10-15
