If The Sky Falls:

If the Sky Falls Nicholas Montemarano, 2005-10-01 *If the Sky Falls* is the debut short story collection from award winning fiction writer Nicholas Montemarano. These eleven stories show why Jayne Anne Phillips has called Montemarano an American stylist capable of redeeming our darkest dreams. Redemption in these intense and sometimes violent stories is found in the lyrical prose in the act of storytelling itself. A young man tries to rescue his sister from her abusive lover and in the process must revisit his own family's violent history. Note to Future Self a home healthcare worker pops pills and takes two men with cerebral palsy to a strip club. The Usual Human Disabilities a man has a breakdown years after witnessing a brutal murder and doing nothing to help the victim. The Other Man In The November Fifteen a man is taken from his home and tortured though he has no idea why when he returns home he finds a different kind of torture awaiting him. Two of the stories Shift and the Pushcart Prize winning The Worst Degree of Unforgivable are stylistic tours de force. But style in this collection is always at the service of story. Montemarano's fiction maintains that rare balance between traditional storytelling and experimentation his work is innovative without being flashy sincere without being sentimental. In an age of hype *If the Sky Falls* truly is the real thing an original and important achievement in the short story form.

When the Sky Falls Phil Earle, 2022-04-05 A boy and a gorilla create an unbelievable bond in this powerful WWII tale for young readers for fans of Alan Gratz and Michael Morpugo. A wonderful story of hurt kindness and what it means to be human in an inhumane world. The Times of London Children's Book of the Year. In 1940 with his father off to war Joseph is sent on a train out of his British town into the care of Mrs F a gruff woman with no great fondness for children. But he soon discovers her softer side when she takes him to the rundown city zoo and he learns she is the only one who ever checks in on it. Many of the animals have escaped been released or have sadly starved but not Adonis a huge silverback gorilla. Adonis is strong and ferocious and a danger to the whole city if a bomb should fall and damage the fence that keeps him in. But as Joseph struggles in his new school and starts to spend more time at the zoo he finds unexpectedly Adonis becoming a loyal new friend. From acclaimed author Phil Earle comes a touching historical fiction story of how a boy and a gorilla find redemption in each other amid the toughest of circumstances. Children's Fiction Book of the Year Winner at the British Book Awards.

Leadership When the Sky Falls Robert Hurst, 2008 This is the story about a man that didn't straddle the fence of life. In everyone there is a combination of good and evil that creates a tug of war within one's inner self. This is very normal and consistent from one person to the next. Therefore some people tend to do more good than evil socially and some tend to do more evil than good. All of this balance depends on the amount of good versus the amount of evil contained deep in the soul of a person's inner self. But this story tells of a man that possesses only one trait. This trait is 100% evil and inside this man there is no tug of war. He is everything that is left after all good has been stripped away. He has no conscience or moral values. There is nothing that this man won't do or say in his vicious chase for money and power. He can be best described as the total package for your
