Gonzales,2018-01-09 Most people are not aware of the wide divide that exists between Mormonism and Christianity Members of the LDS Church are taught not to question the teachings of the church despite the leaders being instructed to manipulate the facts and hide the truth whenever it is deemed useful to do so The Wide Divide is a comprehensive and chronological study of Mormonism rendered in a holistic rather than a topical approach It covers the panorama of early Mormon history with a comprehensive analysis of its doctrine The major premise of the book is Are Mormons Christian If you are a Mormon it is very critical that you answer this question correctly before you meet Jesus in eternity Please do so Illinois Legislative Manual for 30th General Assembly,1877 *Manual for the Use of the Legislature of the State of New York for the Year ...*,1909 Manual for the Use of the Legislature of the State of New York for the Year New York (State).
