Health Sciences and Nursing (ICOSI-HSN 2022) Iman Permana,Erna Rochmawati,2023-02-10 This is an open access book
This proceedings consists of research presented in ICOSI UMY on 20 21 July 2022 at Universitas Muhammadiyah Yogyakarta
The conference covers the topic of health sciences and nursing The key lesson from the COVID 19 pandemic is that the goal
of health innovation should be Health for All To achieve this goal health innovations must be regulated in such a way as to
benefit as many people globally as possible Some critical issues in the scope of improving medical education and medicine
biomedical science innovation and increasing quality of public health for better life are discussed The proceedings include
articles from Dental sciences Pharmaceutical sciences and Nursing sciences As technology developers focused on providing
impactful solutions to global development challenges we have learnt that technology alone cannot be a solution to the
problem It has to be seen in the context where the solution is applied The world crisis should spur us all to explore a new
form of globalization for the future years one that prioritize collective investment in global public goods including
technological and ethical goods to the benefit of all Such global integration must enable diverse stakeholders from across the
public private and non profit sectors worldwide to work more effectively and sustainably together The 6th International
Conference on Sustainable Innovation 2022 brings out the issues of the Sustainable Innovation and Global Society With the
main theme of Optimizing Global Benefit for Future Wellbeing this conference is trying to play a role as a vehicle of
showcasing scientific works from around the world not only from researchers lecturers government officers students and all
parties with the same interests alike Finally all 51 papers published in this proceedings are expected not only as research
output but can be developed further into prototypes or evidence for policy making div div **IGARSS.** ,1986
