Proceedings of the International Conference on Business and Management Dynamics 2016: Sustainable economies in the information economy Joy E. Akahome, Michael Twum-Darko, Cyril Ogbokor, Nyaniso Mfusi Zonke, T. Sethibe, R. Steyn, Esme Mohammed, Renier Steyn, L.B. Nguenang, Mamorena Lucia Matsoso, Henry N. Ozuru, Julius Akaba, Patient Rambe, Edem Korku Agbobli, Henri-Vincent Ndjave-Ndjoy, Regis Muchemwa, Andre de la Harpe, Konosoang Mpiti, Ayodeji Afolayan, 2016-12-31 Cape Town South Africa 7 Sept 2016 8 Sept 2016 Theme Sustainable economies in the information economy Purpose To share the quality academic papers presented at the International Conference on Business and Management Dynamics ICBMD held from 7 to 8 September 2016 at African Pride Crystal Hotel and Spa in Cape Town As grey literature the proceedings are the contributions made by researchers at the conference and are considered the written record of the work that was presented to fellow conference delegates Methodology The methodology used varies from researcher to researcher but are suitable for the studies conducted Thus on the one hand studies that were subjective in nature used the interpretive paradigm where the qualitative approach adopted made use of the interview method to collect data On the other hand studies that were objectively inclined adopted the positivist philosophy and used survey questionnaires to collect data However there were some academic papers which used mixed methodology because of the nature of the study Whatever methodology used adhered to the ethos of the philosophies underpinning the methodology Contribution made to scholarship The articles come from individual researchers and each article in the proceedings is unique Mostly there is no general argument leading from one contribution to the next However it is interesting to note that in the area of economic performance it was evident that real exchange rate and net foreign direct investment contribute more towards innovations in economic growth With regard to human capital development papers presented evidence that there exists a definite need to explore the phenomenon of personal branding as limited scientific academic research has been done within the field of personal branding or on elements of the topic Thus the outcome argues that personal branding has an influence on leadership style which in turn impacts on organisational performance and related hygiene factors Furthermore it was demonstrated that current methods or strategies for enforcing institutionalisation of knowledge sharing within an organisation have not been successful and as such new strategies are needed to reinforce efforts to nurture and invigorate the institutionalisation of knowledge sharing within an organisation With regard to technology and big data impact on organisational performance it was evident that system performance memory consumption and CPU utilisation can be used as criteria to compare and evaluate big data technologies to improve organisational performance Most of the articles contribution reemphasised technology education and training as a means of digitising business and improving effectiveness Target audience The target readership is academic researchers and business leaders who require access to the latest developments in the fields of economics information management business education development studies social sciences

and technology It is also for policymakers and other stakeholders who need a better understanding of the impact of new developments on existing policies and regulations for their review or amendment *Lloyd Register of Shipping 1927 Steamers* Lloyd Register Foundation,1927-01-01 The Lloyd s Register of Shipping records the details of merchant vessels over 100 gross tonnes which are self propelled and sea going regardless of classification Before the time only those vessels classed by Lloyd s Register were listed Vessels are listed alphabetically by their current name *Good Regulatory Practices to Support Small and Medium Enterprises in Southeast Asia* OECD,2018-10-09 This report is the first comprehensive stock taking of good regulatory practice implementation in Southeast Asia to support local SMEs and their integration into global value chains For each of the ten countries of the Association of Southeast Asian Nations ASEAN REACH and the Environmental Regulation of Nanotechnology Nertila Kuraj,2019-07-23 REACH and the Environmental Regulation of Nanotechnology presents a thorough and comprehensive legal analysis on the status of nanoscale chemicals under the EU s REACH Registration Evaluation Authorisation and Restriction regulation asking whether it effectively safeguards human health and environmental protection This book examines the European Commission s claim that REACH offers the best possible framework for the risk management of nanomaterials Through a detailed and meticulous analysis of the four phases of REACH Kuraj assesses the capacity of the Regulation to protect human health and the environment against the potential harms associated with exposure to nanomaterials and draws attention to the ways in which the specificities of nanoscale chemicals are not tackled by the current REACH framework Overall this book is an innovative and timely contribution to the ongoing debate on how to best address the unprecedented risks posed by the growing pursuit of nanotechnological innovation by the EU and global policy agenda REACH and the Environmental Regulation of Nanotechnology will be of great interest to advanced students and scholars of environmental law and policy environmental governance science and technology studies and environment and health **Lloyd's Register of British and Foreign Shipping** ,1883 Official Gazette of the United States Patent and Trademark Office ,2007 *Comparative Law Yearbook of International Business* 40 Dennis Campbell,2018-10-25 This is the fortieth volume of the Comparative Law Yearbook of International Business and it includes reports by practitioners and experts from Argentina Australia Belgium Germany India Italy The Netherlands Slovakia Turkey and the United States who deal with topics from national and regional perspectives Authors from Australia and Turkey examine issues relating to investment Authors from Italy India and Slovakia treat matters concerning corporate law Authors from Germany Italy India and the United States report on topics dealing with litigation and dispute resolution Authors from Argentina Belgium and The Netherlands deal with issues relating to restrictive covenants commercial law and trade secrets *The Politics of the Right* Leo Panitch,Greg Albo,2015-12-22 Today the Left faces new challenges from political forces amassing on the radical right The 52nd volume of the Socialist Register presents a serious calibration and a careful political mapping of these forces It addresses pivotal questions on the reordering of the new right These essays very

broad in terms of themes and places speak to the global challenges the new right poses for the left at this historical moment What is the nature of the right s populism nationalism and militarism What is the social base and organizational strength and range of far right political forces To what extent are they influencing mainstream parties and opinion How have they penetrated state institutions What role do state security services and police forces play Does our political situation today require comparison with 1930s Fascism How should the left respond to defend democratic and human rights
