Muhammad A Messenger Of God In Bible Prophecy:

Muhammad Benjamin Breece, 2014-11-21 I was born and raised in the Seventh day Adventist Church but I tried to maintain an open mind and learn about other religious philosophies I did not give Islam much thought when I was young Then I took a job where I worked with a number of Muslims and I wanted to understand more about them so I studied a little bit into the life of Muhammad and the Quran I very quickly realized that Muhammad seemed to be a man who sincerely wanted to lead the Arabs back to God I studied more especially materials by the relatively few Christians who interpreted the Biblical passages connected with the Arabs and Islam in a more positive light One of the biggest hurdles I faced was the fact that the Quran was so anti Trinitarian Eventually I learned that the founders of the Adventist Church were Anti Trinitarian It was only later that the church became Trinitarian The church plainly stated this in the article Adventists and Change published in the October 1993 issue of Ministry Magazine This shocked me as I had been raised to believe that God had guided the founders of the Adventist Church They worshiped one being as God who brought Jesus into existence Today the Adventist Church worships a unity of three co eternal persons as stated in the 28 Fundamental Beliefs This won t be significant to most people but it was significant to someone raised in that denomination I decided to simply examine the Bible with an open and honest mind The big question was could you actually get to the Trinity by reading the Bible or did you have to assume the Trinity to be true and read it into the text of the Bible The more I studied the more I came to believe that the Bible if read plainly supports a strict monotheistic view of God not a Trinitarian view After that it became much easier to fully accept Muhammad as a messenger of God This book is the result of my study It records why I believe Muhammad was a messenger of God and that God is One not a Trinity It goes through several of the prophecies in Daniel and Revelation to show how God predicted the succession of major powers in the near east and Mediterranean This includes the rise and corruption of the Medieval Christian church and how God raised up a Messenger in the desert to help correct some of the corruption that had crept into Christianity

Muhammad Benjamin Breece, 2020-07-11 This book asks you to set aside your preconceptions and confirmation bias and simply examine what the Scriptures say especially in prophecy If it is too difficult for you to reconsider mainstream understandings of what the Scripture says about things such as the doctrine of the Trinity the corruption of the Church whether or not Muhammad was a prophet etc then this book is not for you If you are willing to look and study then this book can serve as a tool in understanding Bible prophecy It goes through a number of prophecies in Daniel that focus on the rise and corruption of the Church and how they tie into Revelation s prophecies of the Beast The biggest blasphemy of Church is its rejection of the strict monotheism of the Jewish faith of Jesus and the disciples and the adoption of the doctrine of the Trinity An open minded study of Revelation also seems to indicate that God gave Muhammad a message to get the Church to repent of its blasphemies and worship only one person as God This book goes into great detail in the prophecies of Daniel and Revelation and the rest of Scripture in order to let the Scripture do the interpreting One

should always let the Bible provide the meanings of symbols and interpret accordingly I make every effort to only draw interpretations from Scripture instead of reading interpretations into the text In fact I prefer to simply quote the Scripture and let it speak for itself However I don't make any kind of claim that the contents of this book were revealed to me directly from God You should place your faith in the Scriptures and only accept the points that you can clearly see the Scriptures saying

Muhammad in Bible Dika Ariadika,2019-12-13 Muhammad was a great Messenger of God He was a Prophet who was sent to all people on the world He was not only sent to one people but to all humanity Because he was sent in the end of Times he was written in Bible His coming was already mentioned on Bible It is a proof that Muhammad was the promised prophet of the Bible Allah said about Muhammad Those who follow the Messenger the unlettered prophet whom they find written in what they have of the Torah and the Gospel who enjoins upon them what is right and forbids them what is wrong and makes lawful for them the good things and prohibits for them the evil and relieves them of their burden and the shackles which were upon them So they who have believed in him honored him supported him and followed the light which was sent down with him it is those who will be the successful Al A raaf 157 And mention when Jesus the son of Mary said O children of Israel indeed I am the messenger of Allah to you confirming what came before me of the Torah and bringing good tidings of a messenger to come after me whose name is Ahmad But when he came to them with clear evidences they said This is obvious magic Ashoff 6 Prophet Muhammad was written in Bible He was mentioned in Bible because he was sent in the end of Times and as the Last Messenger of God Prophet Muhammad was the last messenger of God

Mohiuddin Habibi,Syed Ahsan Habibi,2016-05-13 The greatest hope of all the religious groups that awaited for scores of centuries with a dogma of their own Holy Books which witnessed the glory and the majesty of that personality called as Muhammad and Ahmad the Glorious and the Praised on whom be peace and lasting blessings which certainly got fulfilled when he finally arrived on the stage of the history The Scriptures of the Prophets that went before him ended their tasks by heralding the tiding of his coming Despite the textual corruption of those ancient scriptures the golden sayings were still preserved by

ALLAH the One True God as a signpost for the honest and noble readers The seekers of truth Be certain of the fact that Prophet Muhammad Peace Be Upon Him was the promised Prophet and the awaited saviour whom the Jews called as the King Messiah His coming was prophesied by all the Prophets like Moses and Jesus Peace Be Upon Them long before his arrival and he was also mentioned in the Old and New Testaments Likewise the Far East Indian scriptures never failed to mention his name and praises which certainly constitute a miracle pertaining to him and confirming his Prophethood In the light of the above facts how could a man of wisdom escape from this overwhelming thought Or will he still deny this truth Or will he still await and hope that from Heaven angels would come and guide him when the final Message has already been delivered by Muhammadur Rasul ALLAH to the creation of ALLAH in general on whom be peace and lasting blessings Indeed it is ALLAH the Lord of the worlds Who Himself calls on us to acknowledge this truth in the Holy Quran O mankind The Messenger Muhammad on whom be peace and lasting blessings hath come unto you with the Truth from your Lord Therefore believe it is better for you But if ye disbelieve still lo Unto ALLAH belongeth whatsoever is in the heavens and the earth ALLAH is ever Knower Wise 4 170

Baeq, Sam Kim, 2022-05-24 The theme of prophets and prophecy is a central area of theological research and discussion in both Christianity and Islam While academic researches on the prophets of Islamic tradition do exist it is rare to find studies which compare them with the biblical accounts based on evangelical theology This book provides theological analysis of the biblical prophets which appear in the Qur'an and the Islamic literature The selection of prophets includes Adam Nuh Noah Ibrahim Abraham Yusuf Joseph Musa Moses Dawud David Ezekiel Dhul Kifl Zakariya Yahya John the Baptist and Mary the Mother of Jesus The contributors are a distinguished group of international scholars who combine impressive academic credentials with extensive ministry among Muslims Moreover the international nature of the contributors lends credibility to the work as an exercise in global theology This book lays a good foundation for the comparison of scriptural and theological traditions of two world major religions and for generating further discussions
