America's leading producer of  
Quality Floor Care Products since  
1909 . . .

UPRIGHT  
VACUUM CLEANER  
SERIES

**1400-2000**

## SAFETY RECOMMENDATIONS

For long service life and safe use of your vacuum cleaner, we recommend the following guidelines:

- Your cleaner is designed to pick up dirt and dust particles. Avoid picking up hard or sharp objects with your cleaner to avoid bag breakage, hose chipping, or possible motor damage.

### Be Safe—Avoid Possible Hazards

- Upright Vacuum Cleaners have exposed rotating brush rolls. Precautionary measures should be taken to keep long hair, loose clothing, fingers, etc. from contacting the brush roll when the cleaner is connected to an electrical outlet. These measures should also be taken when making rug adjustments.
- Do not use your vacuum cleaner in areas where flammable and/or explosive vapors or dust are present. Do not use attachments, such as a duster or paint sprayer, that could create such a hazardous condition.
- Areas cleaned with cleaning fluids should be allowed to dry completely before vacuuming.
- Disconnect power cord from electrical outlet before servicing cleaner, such as changing bags, belts, etc.
- Do not pick up matches, fireplace ashes, or smoking material with cleaner, as possible fire hazard may result.
- Switch cleaner off before removing power cord from electrical outlet.
- Use care to avoid running cleaner over power cord.
- Your vacuum cleaner is not a toy. Do not allow children to play with cleaner. Do not leave cleaner connected to an electrical outlet and left unattended.
- Warning—Electric shock could occur if used outdoors or on wet surfaces.
