Monarchs often face the consequences of a predecessor s actions but death is asking too much Kitlyn and Oona never wanted power only to love each other a potentially deadly desire in a kingdom obsessed with a twisted notion of purity After years hiding the truth even from themselves they sit on the throne together as queens It only took bringing an end to a horrible war and the direct intervention of a goddess for the citizens to accept a marriage between two young women Earning the respect of two kingdoms affords them the opportunity of learning how to lead but goodwill won t last forever in the face of complacency Their resolve is tested as beasts long thought mythical are spotted around the kingdom threatening the citizens The sightings take an ominous turn when a stranger wielding unknown powers strolls into the throne room Worse the ancient curse still stalks Kitlyn A cryptic message from a ghost offers her only chance to survive if she dares risk the safety of the kingdom to spare her own life

Short Stories by Archie Archie Matthews,2014-11-30

My name is Archie Matthews I and my family have a long history of telling tales around the fire at family gatherings I ve grown up listening to thousands of tales handed down from generation to generation Once in a while a family member might experience a new adventure that would then result in a new tale being shaped and shared with family and friends Many of my tales are humorous adventures full of life s twists

and turns Some delve into the depths of human emotion Most are factually true while others may be slightly embellished with an angle or two to add a bit of intrigue I am not a bold liar crook nor thief but as with storytellers of old it can be a bit of a challenge to separate the fact from the fiction That part I will always leave up to you the reader I promise to never cheat you with a boring tale nor steal your valuable time with vulgarity or gossip I guarantee at the very least a smile while striving for the ultimate belly laugh
