Conner's Lesson in Security

[Listen](#)[Home](#)An illustration of a cafe interior. On the left, a young man with dark hair, wearing a green long-sleeved shirt with a circular logo, sits at a wooden table, typing on a laptop. In the center, another young man with glasses and an orange hoodie stands, holding a dark cup. In the foreground, a woman with short, curly grey hair, glasses, and a green headband looks towards the viewer. She is wearing a pink top. The background features large windows with a view of a city skyline and some indoor plants.

My grandson Conner almost got hacked the other day. You would think he would know better, but it turns out we could all learn a few things about securing our own personal information. It all started when he was about to log on to the Wi-Fi at The Hub...

Everfi Answer Identity Theft:

The Official Identity Theft Prevention Handbook Denis G. Kelly, 2011 What is America's top rank crime concern Identity theft According to a 2009 Gallup Crime survey 66 percent of U.S. adults say they worry frequently or occasionally about being a victim of identity theft Why is the percentage of adults concerned with identity theft more than three times greater than the percentage concerned with being sexually assaulted or getting murdered Similar to the identity theft crime itself there is not a simple answer Identity theft is a perfect storm it affects many people everyone is a potential target there are substantial negative consequences few truly understand the crime and trusted sources disseminate information and products that can mislead not help the victim It is comparable to driving your car without a door and having no other options You feel exposed vulnerable and you know the consequences of a side impact are devastating yet you have no other option The reality is you do have options to protect yourself and *The Official Identity Theft Prevention Handbook* is here to teach you them *The Official Identity Theft Prevention Handbook* is the first book to analyze identity theft in its proper context and provide takeaways to minimize the likelihood that you will be harmed by identity theft and to mitigate the negative consequences in the event that you've become a victim Identity theft continues to proliferate and it is tearing the fabric of our society All understand it is important but compelling people to take appropriate action is a challenge *The Official Identity Theft Prevention Handbook* provides a tremendous first step towards individual and societal responsibility We can swing the pendulum in the other direction In the case of identity theft the best defense is a good offense

Identity Theft Victim Louann Busch-White, 2002 *Pushing the Pull Door or Stop the Carnival* is based on the true life story of its author and her husband retiring to an island in the Caribbean and starting new careers in the education system one in a public high school and one in a private prep school It tells of principals and assistants other teachers and students the effect of hurricanes and the establishment of a job bank It shows just what the students learned in class what teachers put up with and how the school passed accreditation It covers the hardships illnesses and the mountains people had to climb and their shortcomings and joys At the end the addendum covers suggestions that could end some of the ills and stop the carnival of an understandable events It is hoped that this satire will awaken many of the offenders so that the pleasure of teaching will eventually overcome the frustrations It is a challenge to new teachers to make a difference
