Why Translation Studies Matters Daniel Gile, Gyde Hansen, Nike Kocijan, Pokorn, 2010-01-01 Whether Translation Studies really matters is an important and challenging question which practitioners of translation and interpreting raise repeatedly TS scholars many of whom are translators and interpreters themselves are not indifferent to it either The twenty papers of this thematic volume contributed by authors from various parts of Europe from Brazil and from Israel address it in a positive spirit Some do so through direct critical reflection and analysis arguing in particular that the engagement of TS with society should be strengthened so that the latter could benefit more from the former Others illustrate the relevance and contribution of TS to society and to other disciplines from various angles Topics broached include the cultural mediation role of translators issues in literary translation knowledge as intellectual capital globalization through English and risks associated with it bridging languages mass media corpora training the use of modern technology interdisciplinarity with psycholinguistics and neurophysiology *Criminals, Idiots, Women, & Minors - Second Edition* Susan Hamilton, 2004-07-26 Pardon me I must seem to you so stupid Why is the property of the woman who commits Murder and the property of the woman who commits Matrimony dealt with alike by your law So ends the little allegory in conversational form with which Frances Power Cobbe opens the 1868 essay that gives this collection its title Cobbe was a widely read essayist of remarkable lucidity and power her pieces display incisive wit and remarkable focus as she returns repeatedly to the woman question but it was typical of the time that when Cobbe died she was described in the Wellesley Index to Victorian periodicals as a miscellaneous writer Cobbe was not alone as much as 15 per cent of the essays in Victorian periodicals were written by women yet even the best of these pieces were allowed by the male dominated world of scholarship to disappear from print This anthology makes available again some of the best Victorian writing by women The second edition has been revised and updated additions include a chronology and an essay by Frances Power Cobbe on the education of women **Saturday Review of Politics, Literature, Science and Art**, 1898 **Routledge Library Editions: Sports Studies** Various, 2022-07-30 This set examines sport and leisure from a social science viewpoint The volumes included originally published between 1984 and 1991 take a cross disciplinary approach to explore the social political and cultural roles of sport in today s society They cover issues as diverse as inequality nationalism gender and commercialisation and engage with a
