Williams, 2020-05-07 In Early Christian Apologetics D H Williams offers a first comprehensive presentation of Christian apologetic literature from the second to the fifth century CE Williams argues that most apologies were not directed at a pagan readership In most cases ancient apologetics had a double object to instruct the Christian and persuade weak Christians or non Christians who were sympathetic to Christian claims Taken cumulatively he finds apologetic literature was integral to the formation of the Christian identity in the Roman world

Finding Faith Carly Fall, A ghost An alien with special abilities A race in time When Faith Cloudfoot is kidnapped off the streets of Phoenix she almost dies at the hands of her attacker Rayner has a special ability one that weighs on him like a curse He can see spirits trapped in between life and their final resting place When he notices Faith for the first time he studiously ignores her until he realizes her and her kidnapper may be a stepping stone to get him back to his own universe As the attraction between them grows Rayner finds himself breaking the code of ethics set by him and his fellow warriors When Faith nears death Rayner realizes that he must do everything in his power to save her because if he doesn't he may just lose himself **Have the Faith of Jesus** TEACH Services, Inc., 2014-10-06 Faith Our whole Christian experience hinges on this one word In writing to the church of Ephesus Paul encouraged them that by grace we are saved through faith Yet many Christians struggle with having faith or believing the promises of God Have the Faith of Jesus examines the Savior's faith in all aspects of His life from offering Himself as a perfect sacrifice when Adam and Eve chose to disobey to overcoming the temptations that Satan hurled at Him throughout His life By faith Jesus lived a life of complete submission to His heavenly Father preaching to the people He was directed to healing those whom the Father brought to Him discipling the men God gave Him and eventually submitting Himself to die on the cross for the sins of the world As followers of the one true King may we learn all we can of our Master and emulate His perfect faith so that we may stand firm in the coming trials and be ready for His soon return Many authors write and many ministers preach about faith With a balanced grasp of Scripture and

Spirit of Prophecy Thiele gives confidence to the reader in that when one recognizes how Jesus exercises faith we can exercise faith in the same way Hope is increased with the assurance that we have the faith of Jesus when we imitate Him

Jones,2016-01-21

Growing a Successful Marriage through Faith tells the story of marriage The book has many facets first it describes the institution of marriage as it was meant to be between a man and a woman It tells of their relationship with the Creator which is the bond that holds the marriage together Second it tells of choices made by a man and a woman that break the marriage bond Finally it is a story about grace and redemption which is a free gift offered by God through faith to restore the bond I refer to this book as a marriage faith help book a book to assist couples to protect their marriage vows as well as to cultivate their marriage in producing the fruit of the Spirit Refining a marriage through faith requires not only having a personal relationship with God and allowing him to guide ones decision making but also being obedient to Gods instructions *Growing a Successful Marriage through Faith* not only represents an individual spiritual journey in which God redeems a person through a personal relationship with him but it also represents a spiritual marital journey where God redeems the marriage and restores the marriage bond through the Holy Spirit When the Holy Spirit bonds a marriage together the marriage is in a state of holy matrimony The book *Growing a Successful Marriage through Faith* tells of my personal life story and possibly there are parts of the story that others may be able to relate to I think this book is unique in that it combines a life situation caused by personal choices with what the Bible says about the situation then reinforces the lesson through the essence of visuals in nature In this case the visuals are photographs of an okra plant that grew between the blocks of concrete Questions are presented to the reader throughout the text not only to engage the reader but also to reinforce that the solutions to relationship issues require self examination and spiritual solution The answers that you give may be reflections of your problem solving approach whether spiritual or otherwise In the Bible Jesus often used parables that involved nature and he performed miracles Both mediums were used to grow faith The book also serves to encourage those who are going through personal trials in their lives whether marriage health problems or any other difficult life circumstance to study the Word of God and pray that God sends the Holy Spirit to move in their lives When your relationship with God becomes close up and personal he gives you spiritual discernment that is the wisdom to put your lifes circumstances in their proper perspective and he gives you inner peace *The Forgotten Alien Warriors: Books 1-6* Carly Fall,2020-01-01 They never expected the danger and trouble they d meet from both humans and their own kind But maybe they can discover happiness on Earth if they find love Dive into this award winning sexy alien series today INCLUDES THE LIGHT WITHIN ME FINDING FAITH REBORN DESTINY S SHIFT TANGLED FATES THE DREAM WALKER NKJV

Faith in the Great Physician Heather D. Curtis,2007-11-30 Recipient of the Frank S and Elizabeth D Brewer Prize of the American Society of Church History for 2007 Faith in the Great Physician tells the story of how participants in the evangelical divine healing movement of the late nineteenth century transformed the ways Americans coped with physical affliction and pursued bodily health Examining the politics of sickness health and healing during this period Heather D Curtis encourages critical reflection on the theological cultural and social forces that come into play when one questions the purpose of suffering and the possibility of healing Curtis finds that advocates of divine healing worked to revise a deep seated Christian ethic that linked physical suffering with spiritual holiness By engaging in devotional disciplines and participating in social reform efforts proponents of faith cure embraced a model of spiritual experience that endorsed active

service rather than passive endurance as the proper Christian response to illness and pain Emphasizing the centrality of religious practices to the enterprise of divine healing Curtis sheds light on the relationship among Christian faith medical science and the changing meanings of suffering and healing in American culture
