many people don't realize a noted author may be buried in their local cemetery. For instance Paul Bowles is buried in Lakemont, John Gardner in Batavia, Rod Serling in Interlaken, John Burroughs in Roxbury, and Adelaide Crapsey in Rochester. Interwoven with these remarkable literary lives are the connected stories of the region's history and Huff's own encounters and friendships with some of the writers included in the book. With directions to each author's grave as well as photographs of the graves and authors themselves, *Resting among Us* is the perfect companion for your own enlightening literary pilgrimage.

Off the Books J. Peder Zane, 2015-04-06. Head Off the Books in this collection of newspaper columns where J. Peder Zane uses classic and contemporary literature to explore American culture and politics. The book review editor for the Raleigh North Carolina News Observer from 1996 to 2009, Zane demonstrates that good books are essential for understanding ourselves and the world around us. The one hundred and thirty columns gathered in *Off the Books* find that sweet spot where literature's eternal values meet the day's current events. Together they offer a literary overview of the ideas, issues, and events shaping our culture from 9/11 and the struggle for gay rights to the decline of high culture and the rise of sensationalism and solipsism. As they plumb and draw from the work of leading writers from William Faulkner, Knut Hamsun, and Eudora Welty to Don DeLillo, Lydia Millet, and Philip Roth, these columns make an argument not just about the pleasure of books but about their very necessity in our lives and culture.

Freddy the Detective Walter R. Brooks, 2021-02. Freddy the pig does some detective work in order to solve the mystery of the missing toy train. The delightful detective story about the beloved animal characters on Mr. Bean's farm, whose adventures have entertained so many children, Freddy the Pig has been reading Sherlock Holmes and knows that he too can apply his brain to solving mysteries, beginning with Farmer Bean's son's loss of a toy train. Freddy becomes very efficient in the apprehension of criminals. In the end, he not only solves the case of the murdered crow but successfully acts as defense attorney for the falsely accused Jinx the cat. How often did Sherlock do that?
