Freddy Sanchez Scouting Report:

A Scout's Report George Genovese, Dan Taylor, 2015-10-14 Many in baseball consider the scout to be the most important figure in any organization. It is the scout's work in the high school and college bleachers that unearths future legends. Few have achieved more and in such grand style than George Genovese. In a game that values numbers, Genovese's are staggering. No other scout has been responsible for more players in a single lineup, more home runs by players signed or more All Star and World Series highlights than Genovese. Genovese's eye for talent is unmatched; his advocacy for the players he discovers is unrivaled, and the investment he makes toward their success is a difference maker. This autobiography is the story of his seven decades in baseball as a player, manager, and scout.

2005 Rotisserie Baseball Scouting Report: for 4x4 NL Only Leagues Henry Lee, 2005 What differentiates this new series of books from the books and magazines people have used in the past is that each of the six books focuses on a different league: 5x5 mixed, AL only, NL only, 4x4 mixed, AL only, and NL only. The projections and dollar values for players can vary up to 50% from league to league. Drafting with the help of a magazine not tailored to your league specifications is a recipe for disaster; yet millions of people do so every year. With your Rotisserie Baseball Scouting Report in hand, you can rest assured that your projections are accurate. Each book also has special Quick Lists designed to help you find what you need in the limited time you have between picks. Players are ranked by actual scoring category points so you can compare players intelligently and quickly. Categories like ERA, WHIP, and BA are weighted for IP and AB, vitally important but often overlooked. Also included is a unique quantitative analysis of the best prospects for 2005.

The Newberg Report Jamey Newberg, 2009-12-15 The Newberg Report pulls back the curtain on the Texas Rangers baseball team by taking a look at everything from what the organization does to the intuitive emphasis on the how and the why. The book, now in its 10th edition, encourages casual fans to get more involved while providing hardcore fans with a forum to discuss their beloved team. It's written by baseball guru Jamey Newberg.

The Baseball Register and Fantasy Handbook Sporting News, 2005-12 Since 1940 the Baseball Register has been one of the best sources for Major League Baseball player information. It includes career stats for every 2006 major league player and selected rookies plus biographical information and career notes.

Rotisserie League Baseball John Benson, 2006

Baseball America 2016 Prospect Handbook John Manuel, 2016-04-05 Baseball America's Prospect Handbook is quite simply the only source you need to find out about the future stars of baseball. Baseball America made its name on finding the best players as amateurs and following them through the minors on the way to the big leagues, and the Prospect Handbook is the compendium that brings it all together. You'll get the Top 30 Prospects for all 30 major league teams with comprehensive scouting reports on every player. You'll also get a wealth of other information about each team to give you an idea of where the organization has been and where it's going. It's no accident that you'll find the Prospect Handbook on the desk of every general manager in baseball. Join them in getting the information edge.
