Dog Training Tips C.X. Cruz, Dogs are among the most popular family pets around the globe They have been known for their sense of loyalty compassion and most of all their ability to be trained more than any other popular pet Dogs can be taught a myriad of tricks and behaviors ranging from very basic ones like sitting begging and going outside to do their business to extremely complex tricks like acrobatics and scent recognition Every dog is different so training is never a guaranteed experience but just about any canine can be trained if you have the will and the desire In this book I'm going to explore the most basic training methods that can be used on all or most dogs usually without fail I'm going to emphasize positive reinforcement training as it is not only effective but much safer than alternative methods that have been used throughout the years Due to the short nature of this book we will probably not venture into theatrical tricks or acrobatics it's always smart to start with a good foundation and that begins with obedience training Obedience training is a general term which can be achieved through the many various dog training techniques Regardless of which training technique you choose

to employ your techniques should build or strengthen a healthy and appropriate relationship between you and your dog
