

French 322

Study Guide – Final Exam

You are scheduled to take the French 322 exam on Monday, June 22, 2015. The exam will run from 12:45 p.m. to 2:15 p.m. This means that you will have one and a half (1 ½) hours to complete the exam. During our last full week of classes, June 8 to 12, we will devote Monday, Wednesday and Thursday, June 8, 10 and 11, to reviewing for the exam. You are primarily responsible for Units 7 through 12 in the textbook *C'est a toi! Level 1*. There is one additional topic from *C'est a toi! Level 2*, and this will be covered as well in our review.

Please note that on Friday, June 12, which is a World Languages testing day, you will have your last regular quiz, which will be based on the film *La Boum* that we just finished watching. I will talk to you about the quiz format ahead of time. If you should have any questions about the film, please ask me before Friday.

Each day of review will cover two units from the textbook. So on Monday, we will review 7 and 8, on Wednesday, 9 and 10, and on Thursday, 11 and 12 plus the extra topic mentioned above. It is essential that you be present for all of the classes. You will be doing group work, and this will give you an opportunity to confer with your classmates about the various topics being covered. I will of course be available to answer any questions that come up.

In addition to class time, I will be available to meet with you individually in the World Languages Center if you wish to do any reinforcement work. Please speak to me in class, or send me an email, if you would like to make an appointment. This will allow us to find a particular time that works for both of us. You can also use email to ask me questions; I will then send you a response.

We will have our last class on Monday, June 15. At that time, please bring in any questions that you might have about the exam. But please remember that I am available to provide academic support during the week leading up to our exam day.

Now turn to the reverse of this sheet to begin the review process.
