Cesnick,2025-04-21 From the gritty streets of Detroit to the claustrophobic cells of Michigan s prison system Never Gave Up

lays bare one man's battle with heroin addiction, systemic injustice and the long road back to hope. Steven Cesnick's story begins with a workplace accident that introduced him to powerful opioid painkillers and within months he was powerless to escape their grip. Over the next decade he would survive sixteen rehab programs, five years behind bars including two stints in state prison and nearly eight years living homeless on the streets, each chapter darker than the last. His first release in 2007 felt like freedom until heartless family court rulings tore his children away. Thrust back into confinement, Steven endured harsh prison labor for just dollars a week only to be released again in 2008, forever changed by a compassionate counselor who refused to let him slip through the cracks. That encounter planted the seed of sobriety that would flourish into over seventeen years of clean living. Through moments of unimaginable despair and small triumphs, reuniting with his daughters, finding steady work and rebuilding fractured relationships, Steven confronts the forces that nearly destroyed him: the opioid epidemic, fueled by Purdue Pharma, a legal system stacked against recovering fathers, and the self-doubt that lingers long after the final bar gate clanks shut. Heartfelt, unflinching and suffused with hard-won wisdom, *Never Gave Up* is a testament to human resilience. It's the story of one man's refusal to surrender to addiction, to circumstance, to the failures of those around him, and an invitation to anyone who has ever felt broken to find hope on the other side. **Grand Theft**
