Dear Aunt Rita,

Greeting:
A way to begin the letter

I had a wonderful time visiting you this summer. Swimming in your pool was a lot of fun. I liked your slide and playing Marco Polo with my cousins.

Thank you for taking me to the museum too. That was so thoughtful. I learned so much about the Revolutionary War. I wonder if I would be a Patriot or Loyalist?

Body:
Personal message

I will never forget my visit with you. I hope to come back next summer! Will you be able to come see us soon? I miss you!

Closing:
A way to end the letter.

Modesitt Jr. author of the Imager Portfolio and the Saga of Recluce continues his Ghost Book series in a world where ghosts are very real. In this sequel to *Of Tangible Ghosts*, Professor Johan Eschbach had hoped for a quiet life in retirement from the intelligence service, teaching environmental science and living with his new wife, but an unusual invitation from the Mormon nation of Deseret inexorably drags him back into the spy business, though he isn't quite sure why or for whom. It quickly becomes apparent that he is being used as a pawn in a deadly game of international maneuverings that are leading the world closer to war. The Ghost Books: 1 *Of Tangible Ghosts*, 2 *The Ghost of the Revelator*, 3 *Ghost of the White Nights*. 1, 2 *Ghosts of Columbia*. Other Series by L. E. In 1901, the firm learned that its cocoa beans, purchased from Portuguese plantations on the island of São Tomé off West Africa, were produced by slave labor. *Chocolate on Trial: Cadbury, Slavery, and the Economics of Virtue in Imperial Britain* gives a lively and highly readable account of the events surrounding the libel trial in which Cadbury Bros Ltd sued the *London Standard* following the newspaper's accusation that the firm was hypocritical in its use of slave-grown cocoa. As compelling now as at the turn of the previous century, the issues probed by Lowell J. Satre give invaluable historical background to contemporary issues of business ethics, corporate social responsibility, and globalization. The story Satre tells illuminates what a stubbornly persistent institution slavery was and shows how Cadbury, a company with a well-regarded brand name and logo, endured ethical dilemmas and challenges to its record for social responsibility. *Chocolate on Trial* brings to life the age-old conflict between economic interests and the value of human life. Satre illuminates the stubborn persistence of the institution of slavery and shows how Cadbury, a company with a well-regarded brand name from the nineteenth century, faced ethical dilemmas and challenges to its record for social responsibility. *Chocolate on Trial* brings to life the age-old conflict between economic interests and regard for the dignity of human life. **Ghosts of Columbia** L. Each of us has to make our own way through Life Along the way there are common experiences we all will encounter just as our parents did and their parents before them Some experiences have happy endings others do not Would anyone want to have painful experiences you may ask The answer of course is that no one truly wants pain and suffering in one s life We all wish for the good life for ourselves la dolce vita so to speak Yet from time immemorial the uninitiated even when forewarned repeat the errors of their forbears never seeming to listen and to learn from their experiences In a word they re invent the wheel But that does not have to be If we know we could avoid certain pitfalls would we not hearken to sound advice Would we not welcome the opportunity to take the well travelled path of Life free of danger or embarrassment or pain Don t Re invent the Wheel takes the reader through the normal periods of one s life beginning with Grammar School and High School days and then The Years after High School After that time the next major road to cross is Engagement and Marriage as one settles into a long term lasting relationship Also during these years we assume our role as the Good Citizen These then are the life experiences openly discussed in this volume Through informal conversations the author focuses on the pitfalls to avoid and the experiences to anticipate with the hope that a sneak preview of Life will fortify the reader and help him or her to avoid repeating unnecessary mistakes in other words re inventing the wheel **Dying for Chocolate** Kerry

was also a trial over what was viewed as the moral and sexual depravity of the two main participants Botkin and Dunning the husband with most of that criticism directed at Botkin
