

The background of the entire slide is a photograph of a dirt path that curves through a wooded area. The path is light brown and appears to be made of dry earth and small stones. On either side of the path, there are various types of trees and shrubs. Some trees have thick, dark trunks, while others are thinner and more leafy. The foliage is a mix of green and brown, suggesting a natural, perhaps slightly overgrown, environment. The lighting is soft, and the overall tone is naturalistic.
