letter *A LAY PREACHER BUT GOD'S WORK?* A. Sinner, 2013 In A Sinner's second book he again states he has to keep to his pen name and again changes all names of churches friends and family because of as he puts it historical freedoms long ago fought and died for in my country but now lost to dangerous forces that are not only unchallenged but appeased and encouraged He gives a chapter on his own English roots and background where he says his Saviour showed him the first signs of sin of which he needed to take to His cross He mentions first hand experience of Jesuit and Christian Brother school teachers who not surprisingly he is no fan of Yet his criticisms again are not left to Roman Catholicism alone As in his first book often humorous often tragic words but now not just in sermon notes but observations experiences speaking notes modern parables one or two poems and also in his own mostly pen and ink illustrations He gives a little more detail than in his first book of his working for his Saviour in missionary organisations such as Prison Fellowship SASRA and local church work Through it all he leaves the same message for all look to the Bible for inspiration but especially to unbelievers for salvation only in the Bible's Author The Holy Spirit and the Word of God Jesus Christ John Then they asked Him What must we do to do the works God requires Jesus answered The work of God is this to believe in the one He has sent John 6:28-29
