A Counselor's Guide to Christian Mindfulness Dr. Regina Chow Trammel, John Trent, 2021-09-14 Equips Christian counselors and therapists to confidently use mindfulness techniques with their clients in a way that is both practical and biblical Accessing mindfulness is a therapeutic touchstone for a range of emotional issues from mild distress to the treatment of trauma but the term mindfulness has often left Christians wary Stripped of Christlike spirituality it sounds self focused at best and at worst like a fusion with modern pop religions of the day But the quality of mindfulness of being fully present aware of ourselves and our situation so that we can better respond to the chaos around us is a profoundly biblical concept And it can be used effectively by Christian counselors and healing practitioners In A Counselor's Guide to Christian Mindfulness Regina Chow Trammel a clinical social worker and John Trent a marriage and family therapist team up to offer training in mindfulness skills used in evidence based practices such as dialectical behavioral therapy acceptance and commitment therapy and mindfulness based cognitive therapy These therapies have been shown to be highly effective in the treatment of many mental health issues blending elements of neuroscience social science and religious training This book is the ideal resource to equip those in the helping professions to faithfully use mindfulness interventions both professionally and personally and includes A historical and theoretical overview of Christian mindfulness and how it contrasts with other mindfulness based practices A practical guide for how to use mindfulness skills in counseling and therapeutic practice A section addressing specific challenges or situations that your clients face Dialogue scripts and contemplation exercises to adapt for your own work The practice of Christian mindfulness can be effective in helping clients manage their intrusive and stressful thoughts emotions relationships and challenges This book fills a gap for Christian counselors and therapists who are eager for a resource that teaches mindfulness skills from a Christian and biblical perspective

Christian Counsel Manual Ray Chiasson, 2004 It has been estimated by many that 80 percent of believers have little or no knowledge of what is in their Bibles This manual seeks to open up more scriptural answers to believers who are seeking peace contentment and victory in their walk with the Lord
