Sacred Interconnections David Ray Griffin, 1990-01-01 This book shows the interconnections between postmodernism religion politics economics and art It shows that the awareness of interconnectedness is at the center of the postmodern sensibility Sacred Interconnections illustrates the rejection of the modern idea that these subjects can be discussed as separate disciplines While the term postmodern has been widely used for deconstructive cynical even nihilistic attitude especially in the world of art and literature the book represents the emergence of a reconstructive reenchanting postmodernism even within the artistic and literary circles

Experiencing God Ian S. Markham, Kimberly E. Dunn, 2024-04-01 Episcopalians are famous for their liturgy music and their thoughtful approach to faith and prayer However Episcopalians are less famous for their willingness to talk about their faith and their experience of God In this volume a group of leading Episcopalians share moments of deep spiritual intimacy When did they sense the presence of God How did they experience the presence of God What is prayer like How do they pray What is it like to walk each day with Jesus How seriously do they take the promptings of the Holy Spirit How does the transcendent feel in their lives How does the transcendent show up in their daily lives This is a unique book that invites the reader to also start sharing their own sense of God with others

Confessions, Revised and Updated Matthew Fox, 2015-11-10 Matthew Fox s stirring autobiography Confessions reveals his personal intellectual and spiritual journey from altar boy to Dominican priest to his eventual break with the Vatican Five new chapters in this revised and updated edition bring added perspective in light of the author s continued journey and his reflections on the current changes taking place in the Catholic church Instead of living out his vows as a Dominican brother Matthew Fox was expelled from the Order after 34 years by Cardinal Ratzinger who later became Pope Benedict XVI Fox took this as a warning from the Church that henceforth thinkers should not think but get in line It is from this anti intellectual inquisition style mentality that the cover up of priestly pedophilia also grew as the Vatican appointed several generations of bishops and cardinals whose only criterion for selection was that they be uncritical yes men Confessions tells the inside story of what it was like standing in front of the train when the Vatican was on the attack It also reflects on the meaning of the encouragingly healthy papacy of Pope Francis but holds little hope for the institutional church Rather this book points to the main interest and accomplishments of the author s work to bring spirituality and prophetic warriorhood alive again in society and religion Fox draws inspiration from great mystics of the past such as Hildegard of Bingen a champion of the Divine Feminine and Meister Eckhart a profoundly mystical and ecumenical champion of those without a voice and the return of the archetype of the Cosmic Christ alongside the teachings of the historical Jesus and the bringing forth of the wisdom traditions from all the world s spiritual traditions to stand up for eco justice gender justice economic justice and social justice
