Reference Catalogue of Current Literature, 1906 Golden Years James Chappel, 2024-11-19 The surprising history of old age in modern America showing how we created unprecedented security for some and painful uncertainty for others On farms and in factories Americans once had little choice but to work until death As the nation prospered a new idea was born the right to a dignified and secure old age That project has benefited millions but it remains incomplete and today it's under siege In *Golden Years* historian James Chappel shows how old age first emerged as a distinct stage of life and how it evolved over the last century shaped by politicians choices activists demands medical advancements and cultural models from utopian novels to The Golden Girls Only after World War II did government subsidies and employer pensions allow people to retire en masse Just one generation later this model crumbled Older people streamed back into the workforce and free market policymakers pushed the burdens of aging back onto older Americans and their families We now confront an old age

mired in contradictions ever longer lifespans and spiraling health care costs 401 k s and economic precarity unprecedented opportunity and often disastrous instability As the population of older Americans grows Golden Years urges us to look to the past to better understand old age today and how it could be better tomorrow **Juvenile Justice: A Social, Historical, and Legal Perspective** Preston Elrod,R. Scott Ryder,2020-02-20 Juvenile Justice A Social Historical and Legal Perspective Fifth Edition guides students in developing a sound and balanced understanding of juvenile justice and the social legal and historical context that shapes juvenile justice practice Throughout the text there are FYIs Myths v Reality Comparative Focus and Interviews that highlight important facts dispel common myths compare practices in the United States with those of other countries and allow readers to hear from present and former juvenile justice practitioners Each chapter also contains critical thinking questions intended to help students examine key issues raised in the chapter and a discussion of important legal issues related to chapter content Every new print copy includes an access code to the Navigate Companion Website that features interactive and informative learning resources to gauge understanding and help students study more effectively

The Palgrave Handbook of Sociology in Britain J. Holmwood,J. Scott,2014-07-18 Leading sociologists outline the historical development of the discipline in Britain and document its continuing influence in this essential and comprehensive reference work Spanning the Scottish enlightenment of the 18th century to the present day this Handbook maps the discipline and the British contribution *The Social Credit Phenomenon in Alberta* Alvin Finkel,1989-01-01 In this account of the Social Credit transformation Alvin Finkel challenges earlier works which focus purely on Social Credit monetary fixations and religiosity *Ecological and Social Healing* Jeanine M. Canty,2016-10-04 This book is an edited collection of essays by fourteen multicultural women including a few Anglo women who are doing work that crosses the boundaries of ecological and social healing The women are prominent academics writers and leaders spanning Native American Indigenous Asian African Latina Jewish and Multiracial backgrounds The contributors express a myriad of ways that the relationship between the ecological and social have brought new understanding to their experiences and work in the world Moreover by working with these edges of awareness they are identifying new forms of teaching leading healing and positive change Ecological and Social Healing is rooted in these ideas and speaks to an edge awareness or consciousness In essence this speaks to the power of integrating multiple and often conflicting views and the transformations that result As women working across the boundaries of the ecological and social we have powerful experiences that are creating new forms of healing This book is rooted in academic theory as well as personal and professional experience and highlights emerging models and insights It will appeal to those working teaching and learning in the fields of social justice environmental issues women s studies spirituality transformative environmental sustainability leadership and interdisciplinary intersectionality studies **Social Death** Lisa Marie Cacho,2012-01-01 Winner of the 2013 John Hope Franklin Book Prize presented by the American Studies Association Social Death tackles one of the core paradoxes of social justice struggles and scholarship that

the battle to end oppression shares the moral grammar that structures exploitation and sanctions state violence Lisa Marie Cacho forcefully argues that the demands for personhood for those who in the eyes of society have little value depend on capitalist and heteropatriarchal measures of worth With poignant case studies Cacho illustrates that our very understanding of personhood is premised upon the unchallenged devaluation of criminalized populations of color Hence the reliance of rights based politics on notions of who is and is not a deserving member of society inadvertently replicates the logic that creates and normalizes states of social and literal death Her understanding of inalienable rights and personhood provides us the much needed comparative analytical and ethical tools to understand the racialized and nationalized tensions between racial groups Driven by a radical relentless critique Social Death challenges us to imagine a heretofore unthinkable politics and ethics that do not rest on neoliberal arguments about worth but rather emerge from the insurgent experiences of those negated persons who do not live by the norms that determine the productive patriotic law abiding and family oriented subject

Jersey Bulletin ,1920 **The Relevance of Social Science for Medicine** L. Eisenberg,A. Kleinman,2012-12-06 The central purpose of this book is to demonstrate the relevance of social science concepts and the data derived from empirical research in those sciences to problems in the clinical practice of medicine As physicians we believe that the biomedical sciences have made and will continue to make important contributions to better health At the same time we are no less firmly persuaded that a comprehensive understanding of health and illness an understanding which is necessary for effective preventive and therapeutic measures requires equal attention to the social and cultural determinants of the health status of human populations The authors who agreed to collaborate with us in the writing of this book were chosen on the basis of their experience in designing and executing research on health and health services and in teaching social science concepts and methods which are applicable to medical practice We have not attempted to solicit contributions to cover the entire range of the social sciences as they apply to medicine Rather we have selected key approaches to illustrate the more salient areas These include social epidemiology health services research social network analysis cultural studies of illness behavior along with chapters on the social labeling of deviance patterns of therapeutic communication and economic and political analyses of macro social factors which influence health outcomes as well as services *Film and Radio Discussion Guide* ,1952 *Social Sciences and Humanities Index* ,1916 **The Publishers' Trade List Annual** ,1905 *Making Imperial Mentalities* J. Mangan,2012-05-04 This book discusses the way in which those born into the British empire were persuaded to accept it often with enthusiasm The study compares the perceptions of people at home in the dominions and in the colonies Across the diversity of imperial territories it explores themes such as the diverse nature of political socialisation the various agents and agencies of persuasion reaction to the experience of dominance by dominant and dominated the paradoxical impact of the missionary and the subversive role of some women It also considers the significant issues of colonial adaptation resistance and rejection and the post imperial consequences of imperialism *Subject Guide to Books in Print* ,1997
