Lost Orthodoxy (Paternal Light - Heart of the Gospel through the Eyes of the Kings of Christian Theology St. Justin Martyr and St. Irenaeus of Lyons] Jonathan Ramachandran,2018-11-24 The Lost Orthodoxy Book attempts to Research the Hope of Christ Centered Universalism by comparing Bible Verses to the Exegesis done by St Justin Martyr and St Irenaeus of Lyons It asserts arguments in support of the concept of ages or aeons or olams to come in St Irenaeus usage of these related Biblical Words together with St Justin Martyr s harsh language regarding the punishment of the Wicked which has also been interpreted to refer to some annihilation concept Hence the usage by these saints either implying ages or end by destruction by their language describing the punishment of the wicked may thus imply an end in reference to the original words found likewise in Holy Scripture too The sin in the Body and Soul may thus be referred to as eternally destroyed where the damaged soul and spirit may be saved thereafter In support of such an exegesis some First Christianity Writings from other early Church leaders and Christian Prophecies such as the Apocalypse of Peter and the Sibylline Oracles are considered where these have a Section Describing God Saving the Wicked post Judgment after a long time as per the prayers of the Saved Christian Righteous for these to be Rescued Finally from the Lake of Fire or Gehenna itself thereby cancelling the Eternal Sentence by His Great Mercy which Triumphs over Judgment and giving these a lower place in another Eternal Life thereafter

In the Beginning: Hijacking of the Religion of God Sami M. El-Soudani, 2009-04-27 This Book presents a uniquely critical and candid outlook on religion documenting the last three thousand years of religious history showing how hijackings of all three religious persuasions Judaism Christianity and Islam led to all three religions being exploited and manipulated over the entire course of their history Our book shows that men who practiced hijacking long before they had wings have been quite busy for the last three thousand years engaged in the lucrative business of hijacking the religion of God No irony intended in calling it a business and indeed a lucrative one because it brings the hijackers power enormous wealth and often glory all of which in the sight of God translate respectively into arrogance greed and infamy Sadly enough all three religious persuasions Judaism Christianity and Islam without exceptions suffered the dire consequences of such heinous infractions angering God Volume 1 Judaism presents two hijackings of Judaism the first

hijacking upon worship of the golden calve lasting several centuries followed by a second hijacking in modern times with Judaism currently being hijacked by Zionism Volume 2 Christianity also documents two hijackings of Christianity with the first executed by Saint Paul as he morphed Jesus into the Son of God then replaced him with Paul invented Mythical Christ This was followed by a second hijacking of Christianity with the Roman pagan Emperor Constantine ordering 300 Christian bishops to a Conference in Nicaea to define their god by launching a debate and actually voting on the invention of the Trinity God The Father The Son and The Holy Spirit on May 20th 325 C E In Volume 3 Islam the reader will explore the Seven Operating Principles of Islam with respect to each of which attempts at hijacking Islam have been made both during early Islam and in modern times
