Jean Maurice Prosper,2012-11-30 In this actual generation God is practically absent The World is now a place where personal glory fame and riches is the prime goal of everybody The society is now a success driven one and the importance of having money and riches has never been more important Christianity have unfortunately been caught up in this movement and we now have a new type of gospel known to many as the Prosperity Gospel For many this gospel is the intention or blessings that God has declared for his followers for others this is simply a twisted and corrupted version of the real Gospel This book is an invitation to review the claims of the prosperity gospel and at the same time review what the Bible really teaches Are we born to be rich and possess the world Are we to live in extreme riches and abundance until our Lord returns or are we called to live out as followers and disciples of Jesus being content with what we have and leaving everything we need to Jesus Does God really promises all the riches of the world to all of us once we start following Jesus Join me in this interesting and most important exploration of the hottest topic around The prosperity gospel **Seeing Angels Study Guide** Joshua Mills,2019-09-03 Joshua Mills s book Seeing Angels is one of the most in depth scriptural examinations of angelic ministry by one of the cutting edge charismatic leaders in the church today Joshua goes beyond the usual takes on angels regarding spiritual warfare and explores who they are how to recognize them what they do and how to cooperate with them in your life This companion study guide designed for both individual and group study will help readers delve deeper into the meaning of angels and apply these miraculous truths The Worldview of the Word of Faith Movement: Eden Redeemed Mikael Stenhammar,2021-12-16 This volume approaches the Word of Faith as a worldview and analyses the movement through N T Wright s model for worldview analysis in order to provide necessary nuance and complexity to scholarly interpretations of the Word of Faith The reader receives insights into the movement s narrative semiotic practical and propositional dimensions which cumulatively offer a multifaceted understanding of how the Word of Faith interprets reality and engages with the world The analysis shows that there is a narrative core to Word of Faith beliefs in the form of a unique theological story with focus set on the present restoration of Eden s authority and blessings This study demonstrates how the Word of Faith operates as a distinct worldview that parses the world through the lens of faith s causative power to affect a direct correspondence between present reality and Eden s perfection The findings advance a critical and therapeutic

approach that acknowledges how the worldview both strengthens and subverts Pentecostalism [Deliverance and Healing for All](#) Rev. Ibet N.
