INTERVIEW QUESTIONS

Describe a time when you had to make a tough decision at work.

"I was once faced with the decision of choosing between two equally qualified candidates for a promotion. I carefully evaluated their past performance, skills, and potential for future growth. I also considered how each candidate's strengths aligned with the team's needs. After thorough deliberation, I made the decision based on who I felt would contribute more effectively to the team's long-term goals."

What role do you typically play in a team setting?

"In a team setting, I often take on the role of a coordinator or mediator. I focus on ensuring that everyone's ideas are heard and that we stay aligned with our objectives.
