Once you hit middle age far too many people are plagued by those two dreaded words belly fat. It can however also be a problem for children and teens. People just look at it as a weight problem but it can also be linked to cardiovascular disease, Alzheimer's disease and many other metabolic and vascular diseases. Though no one likes belly fat too often it is overlooked as just a symptom of age. It can however be a symptom of much much more. It is not something you should just consider the price of getting older. It is something that should be taken seriously. **Journey to a Healthier You** Carol Angle, 2003 *Journey to a Healthier You* clarifies the diet and nutrition jargon that can be an obstacle to achieving a healthy lifestyle. In an easy to read format this book overcomes the confusion and contains twelve simple steps to make your lifestyle healthier. Each Chapter focuses on a different step, uses uncomplicated language to explain why it is necessary to take that step and contains a lot of simple ideas to help accomplish your goal. This book is the result of the author's personal triumph over her son's failing health. Carol Angle's oldest son was diagnosed with a severe heart condition at six months old and was sent home from the hospital with strict instructions not to let him catch a cold. In a seemingly impossible task to keep her son alive and healthy Carol started her family on the road to a healthier lifestyle. The results of her quest have been consolidated into this book in an attempt to inspire others who also want to improve their health. The purpose of this book is to provide every reader with the tools they need to successfully tailor their own lifestyle to be as healthy as they desire. The author recognizes that every individual is unique, things that work for one person will not work for everyone. The book lets you choose which ideas work best for you at this moment in your life because everyone is different and everyone is at a distinct point in their journey towards good health. Your choices will lead you at your own speed at your own comfort level down your own path for a lifetime of improved health. In today's fast paced environment it is hard to find the time to eat properly and make healthy choices. But everyone has the capacity to achieve a healthy lifestyle. This book simplifies the process by giving you uncomplicated choices and quick tips for creating healthy habits for life. Even in today's busy lifestyle. Good health to you.
