# CONSUMERS' FACT SHEET

# HOME ENERGY ASSISTANCE PROGRAM: HEAP GUIDELINES

The Home Energy Assistance Program (HEAP) is a federally-funded program managed by the Ohio Development Services Agency. It is designed to help income-qualified consumers pay for winter heating costs.

There are two different HEAP programs: HEAP and Emergency HEAP (E-HEAP). To use HEAP and E-HEAP your total household income must be at or below 175 percent of the federal poverty level.

## HEAP

This program helps pay a portion of consumers' winter heating bills. Consumers can use HEAP one time per winter heating season. The amount of aid received varies and is determined by the following criteria:

- Household income at or below 175 percent of federal poverty guidelines;
- Number of people in household;
- Cost of primary heating fuel or bulk fuel supplied;
- Amount of aid received from federal grants; and
- Geographic region of the state.

## How to apply for HEAP

Applications can be submitted through May 31, 2015. Consumers should fill out the application completely and send it with a copy of their most recent energy bill, and proof of income for the past 12 months for all members of the household 18 years of age and over, to: HEAP, P.O. Box 1240, Columbus, Ohio 43216. Applications can be obtained from the following organizations:

- Community action agencies;
- County departments of job and family services offices;
- Area agencies on aging; and
- Ohio Development Services Agency (HEAP office 1-800-282-0880)

## HEAP Payments

HEAP-qualified consumers living in households served by state-regulated utilities will receive a one-time credit on their winter heating bill. Vouchers will be sent to those HEAP-qualified consumers who:

- Receive bulk fuel;
- Have a master metered account (one main meter that serves several accounts); or
- Are customers of a rural cooperative or municipal utility.
