Due 11/11/2024

Read the following article and answer the questions below.

One of the purposes of using subliminal advertisements is to influence people's behavior. This is done by presenting them with a message that is not conscious but is still effective. For example, a person might see a sign that says "Don't drink and drive" and then decide not to drink and drive. This is a subliminal advertisement because the person is not consciously aware of the message. The purpose of this advertisement is to influence the person's behavior. This is a subliminal advertisement because the person is not consciously aware of the message. The purpose of this advertisement is to influence the person's behavior.

Another way to use subliminal advertisements is to influence people's attitudes. This is done by presenting them with a message that is not conscious but is still effective. For example, a person might see a sign that says "Don't drink and drive" and then decide not to drink and drive. This is a subliminal advertisement because the person is not consciously aware of the message. The purpose of this advertisement is to influence the person's behavior.
