Parliamentary Debates India. Parliament. Rajya Sabha, 2013-12

Contemporary Gender Formations in India

Nandini Dhar, 2024-02-27 The volume discusses critical issues surrounding the developments in gender movements in the last two decades in India following the Delhi rape case and the ensuing massive protests in December 2012 A critical documentation of some of the key moments surrounding the contemporary gendered formations and radicalisms in South Asia the chapters span questions of class caste sexuality digital feminisms and conflict zones The book looks at anger protest and imaginations of resistance It showcases the new visibility that digital spaces have opened up to lend voice to survivors who are let down by traditional justice mechanisms and raises questions regarding individualized modes of seeking justice as against traditional collective voices that have always been a hallmark of movements The volume analyses and criticizes the complicity of the state and the court as agents of reinforcing gender violence an issue that has not been theorized enough by activists and scholars of violence Further it also delves into the MeToo movement and the LoSHA as both have raised contentious controversial and often conflicting debates on the nature of addressing sexual harassment particularly at the workplace Calling for further debate and discussions of cyberspace gender justice sexual violence male entitlement and forms of neoliberal feminism this volume will be of immense interest to scholars and researchers in the areas of women and gender studies sociology and social theory gender politics political theory democracy protest movements politics media and the internet political advocacy and law and legal theory It will also be a compelling read for anyone interested in gender justice and equal rights
