In addition, volume two will help companies develop workplace policies on everything from suitable dress to disciplinary procedures to work-life balance. Entries in each category are short and to the point, from 500 to 1,000 words. Sprinkled throughout are longer overview theory pieces on subjects like performance management, selection, training, and HR Strategy. And the set will contain an extensive bibliography, resource section, and checklists on topics like hiring, safety, termination, training, and more. The Best Places to Work for are also the most profitable and the most fun.
