My Husband Doesn't Love Jesus Charlene Montague, 2019-05-21 Help My Husband Doesn t Love Jesus is the practical theologically sound book you ve been craving No more empty seats next to you in church No more frustrating rejected invitations to church No more nagging The wisdom shared in these pages will take the hassle and irritation out of marriages where one spouse is passionately in love with Jesus while the other is well let s just say they don t have a relationship with Jesus at least not yet anyway I know it s difficult being the one driving to church without your spouse and any attempts at encouraging them to come along is met with resistance sometimes extreme resistance Help My Husband Doesn t Love Jesus uses the life of Esther and Hannah to unlock some hidden powers women possess in not only navigating difficult situations but also positively influencing their husbands to turn their hearts to God That s right this book explores chapter by chapter exercise by exercise the real nature of women and their dynamic role in drawing their spouses into a divine spiritual alignment with their Creator Chapter by chapter topics covered include Marriage versus Covenant A Good Man Attendance versus Relationship The Jewish Queen who married an alcoholic Creating a welcoming Environment Time To serve So if you re ready to ditch the nagging roll up your sleeves and let s get what you

really want You will turn the trajectory of not only your husband s faith but also your family to a place up until now you have only been dreaming about If your spouse s spiritual walk is not what it should be or is non existent you can help change that starting today Help My Husband Doesn t Love Jesus provides the real life tools building a fulfilling life when you are loving and living with a spouse who does not share the same spiritual pathway as you do **Designing Your Dream Husband** Amie Dockery,2004-10-07 God has given women a gift that is so woven into their nature that they approach everything from homes to husbands with the thought Wow I could do great things with that To see potential is a great good but the downside is the propensity to compare reality with the expectation This is especially harmful in marriage if a woman tries to show her husband his potential in all the wrong ways such as comparison or suggestions for change So how does a wife encourage her husband to become what God has placed within him to be It requires an understanding of her own need for repentance and restoration as well as working with the right team and the right tools The right team is God as architect Jesus as supplier and the Holy Spirit as builder The right tools include prayer declaration and action that bring restoration and that also reveal her own need to change Each chapter explores a case study of a biblical character s life an action that gained him authority an area of vulnerability and the most memorable moment this person wore the mantle Each chapter also includes a pattern for prayer questions from which a woman can build the blueprint for repentance restoration and declaration Personal application includes Putting Your Words to Work a written vision declaration and a Seal it with a Gift with practical ways to gently yet generously introduce revelation of a husband s skills and abilities through a tangible gift *When Your Husband Is Addicted to Pornography* Vicki Tiede,2012-10-01 When your husband s addiction to pornography leaves you shattered betrayed and alone where do you turn Who do you turn to Vicki Tiede writing from personal experience gently guides women toward God and away from despair Through daily readings and questions on six important topics hope surrender trust identity brokenness and The Mysterious Husband.
