Idols of Bangladesh MD Shariful Hasan Shopnil Shishir, Shariful Shopnil Shishir, 2015-01-06 Histoy will talk

Secularism and Islam in Bangladesh Abdul Wohab, 2023-10-13 Secularism and Islam in Bangladesh comprehensively analyses the syncretistic form of Bengali Islam and its relationship with secularism in Bangladesh from pre British to contemporary times It focuses on the importance of understanding the dynamics between religion and secularism within specific cultural contexts The author draws upon historical sociological and political literature Bangladeshi electoral results newspaper reports and elite interviews with political commentators and offers a rich historical and empirical analysis Arguing that extremist interpretations of Islam which aim to establish a theocratic state have not been able to influence the pluralistic religious and cultural life of Bangladesh substantially the book shows that religious and cultural pluralism will continue to thrive despite the apparent threat posed by increasing religiosity among Bangladeshi Muslims This book is a timely and significant contribution to the discourse on secularism and Islam with relevance beyond Bangladesh and the wider Islamic world It will appeal to scholars and researchers working in the fields of South Asian studies Asian religions and the sociology of religion

**The Marmas of Bangladesh** Selina Ahsan, 1995

**A Story of Ambivalent Modernization in Bangladesh and West Bengal** Pranab Chatterjee, 2010 This book details the evolution of Bengali culture in both Bangladesh and West Bengal since antiquity and argues for its modernization Originally peripheral to Hindu civilization based in North India Bengali culture was subjected to various forms of Sanskritization Centuries of invasions 1204 1757 resulted most notably in the Islamization of Bengal Often there were conflicts between Sanskritization and Islamization Later colonization of Bengal by Britain 1757 led to a process of Anglicization which created a new middle class in Bengal that in turn created a form of elitism among the Bengali Hindu upper caste After British rule ended 1947 Bengali culture lost its elitist status in South Asia and has undergone severe marginalization Political instability and economic insufficiency as reflected by many quantitative and qualitative indicators are common and contribute to pervasive unemployment alienation vigilantism and instability in the entire region A Story of Ambivalent Modernization in Bangladesh and West Bengal is appropriate not only for Bengali intellectuals and scholars but for sociologists political scientists cultural anthropologists historians and others interested in a case study of how and why a given culture becomes derailed from its path toward modernization

Bangladesh in Bondage Q M Jalal Khan, 2021-04-12 This book brings together a collection of essays about the untenable political status quo in Bangladesh under Sheikh Hasina Since

democratization in the 1990s Bangladeshi political life has been characterized by fierce battles over the role of religion in society corruption and the obstacles to constructing a society with freedom of expression and rule of law independent from the influence of powerful neighboring countries Academic freedom and other human rights issues have hindered the study of Bangladesh heretofore and corruption police abuses and election rigging are common as well as widely documented In this passionate sometimes personal exploration of the issues of social justice rule of law and the democratic process in Bangladesh the book offers a valuable case study of how an Asian developmental state is otherwise regressing backwards morally socially and politically The Bangladeshi struggle for sovereignty prosperity and democracy documented in this book will be of interest to political scientists scholars of South Asia and those of Islam

*Keramat, Sacred Relics and Forbidden Idols in Singapore* William L. Gibson,2024-08-29 Keramat holy graves and shrines represent physical markers of Singapore s history as a multi ethnic maritime trading center They offered sanctified spaces not only for Muslims but also for the entire community in which they emerged Maintained by self appointed caretakers the stories of keramat often interweave fact with folklore that mirror the history and sensibilities of the community While once an abundant part of the social landscape of Singapore many keramat were destroyed during the post independence rush to develop These keramat now face a second vanishing with memories of them fading as caretakers and community members age and pass away In parallel many modern Muslims consider keramat as a form of shirk or polytheism and tacitly consent to their destruction This book concludes by critically examining the often tense relationship between keramat and authority both secular and religious from colonial to modern times The dilemmas of grappling with puritanical norms and grassroots elaborations in varying modes of preservation are investigated using case studies from Singapore and the wider region A vital resource for scholars this work contributes to a people s history of Singapore one that both deepens and problematizes official historical accounts

**Being Hindu In Bangladesh** Deep Halder,Avishek Biswas,2023-11-23 For those who carry the scars of Partition more than seven decades after arbitrary lines

scarred the subcontinent home is still on the other side of the Padma river They pine for those who were left behind as a great mass of humanity moved from the east to the west of Bengal to settle in Hindu majority India Where are they today in the land that was then east Bengal which became East Pakistan in 1947 and then Bangladesh in 1971 According to an estimate from the Bangladesh Bureau of Statistics there were 17 million Hindus in Bangladesh in 2015 though the population is steadily dwindling Hindus in Bangladesh in the late 2000s were almost evenly distributed in all regions of the country with large concentrations in Gopalganj Dinajpur Sylhet Sunamganj Mymensingh Khulna Jessore Chittagong and parts of Chittagong s Hill Tracts Since the rise of Islamist political formations in the country during the 1990s many Hindus have been threatened or attacked and substantial numbers are leaving the country for India still Despite their dwindling numbers Hindus wield considerable influence because of their geographical concentration in certain regions of the country They form a majority of the electorate in at least two parliamentary constituencies and account for more than 25% in at least another thirty For this reason they are often the deciding factor in parliamentary elections where victory margins can be extremely narrow It is also alleged that this is a prime reason for many Hindus being prevented from voting in elections either through intimidating voters or through exclusion in voter list revisions In *Being Hindu in Bangladesh* journalist Deep Halder and academic Avishek Biswas explore the ground realities behind the statistics Through extensive research in Bangladesh and using archival material and records they attempt to sift out the truth behind the numbers Their aim is to find out the lived experience of those who stayed on in the country and ask important questions about the nature of identity its connection with religion and ultimately the very idea of home

**Women Performers in Bengal and Bangladesh** Manujendra Kundu, 2024-02-22 Covering nearly 225 years this volume tries to capture a broad spectrum of the situation of women performers from Gerasim Lebedeff s time 1795 who are considered to be the first performers in modern Bengali theatre to today s time The moot question is whether the role of women as performers evolved down the centuries Whether this question will lead us to their subjugation to their male counterparts producers and directors has been explored here to give readers an understanding of when where by whom the politics began and by tracing the footprints we have tried to understand if the politics has changed or remains unchanged or metamorphosed with regard to the woman s question in the performance discourse We have explored in this regard how her body mind and sexuality interacted with and negotiated the phallocentric hierarchy The essays included are on i Baiji Tawaif culture in eastern and western Bengal ii prostitute fallen women patita beshya performers iii IPTA and the Naxalbari movement iv group and commercial professional theatre of Kolkata v women s position in the theatre of Bangladesh vi Cabaret with an interview with Miss Shefali vii Jatra viii Baul tradition ix Besides there are chapters on English Anglo Indian Jew Nachni performers and the illustrious dancer Amala Shankar and film music dance in general
