If I Could Turn Back Time Beth Harbison, 2015-07-28 Told with Beth Harbison's wit and warmth *If I Could Turn Back Time* is the fantasy of every woman who has ever thought If I could go back in time knowing what I know now I'd do things so differently Thirty seven year old Ramie Phillips has led a very successful life She made her fortune and now she hobnobs with the very rich and occasionally the semi famous and she enjoys luxuries she only dreamed of as a middle class kid growing up in Potomac Maryland But despite it all she can't ignore the fact that she isn't necessarily happy In fact lately Ramie has begun to feel more than a little empty On a boat with friends off the Florida coast she tries to fight her feelings of discontent with steel will and hard liquor No one even notices as she gets up and goes to the diving board and dives off Suddenly Ramie is waking up straining to understand a voice calling in the distance It's her mother Wake up You're going to be late for school again I'm not writing a note this time Ramie finds herself back on the eve of her eighteenth birthday with a second chance to see the people she's lost and change the choices she regrets How did she get back here Has she gone off the deep end Is she really back in time Above all she'll have to answer the question that no one else can What it is that she really wants from the past and for her future
