## **If Jesus Had A Dog English Edition:**

**If Jesus Had a Dog** James Ferrone,2020-08-18 For almost two thousand years there have been countless books written about our Lord books by the authors of the four Gospels and the early church fathers which tell of his words his actions and his miracles books which tell of how he changed the lives of the authors and how he continues to change lives of their readers and books which build on what he said and did called historical novels I guess that this little short story is one of those What If Jesus Did Have a Dog One night when I couldn't sleep a very strange thought came to me For some reason I began to wonder whether or not Jesus may have had a dog I've had a number of wonderful dogs in my life and I can't think of a better pet or a more loving friend I once saw a comment written on a wall that said God spelled backwards is still your best friend Dogs like God himself love unconditionally And like God they are always ready to forgive us Even many centuries ago dogs were held in great esteem by many people The wealthy and powerful kept dogs mostly for protection but ordinary people believed that dogs could be wonderful helpers and companions as well as dear friends This is a story about the birth of Jesus and the dog that he may have had [Jesus and His Dog \(Colored Version\)](#) Michael Considine Jr,2014-03-14 The Author truly believes that the dog is God's most perfect creation and it shows by the unconditional love dog shows for man This trait is not shown by any other creature and only shown in the relationship dog has with man and is a gift from God to man God is the only other that shows this unconditional love towards man so the Author feels the dog is very special in God's eyes even the name Dog is a reflection of the name God This book will touch on all your emotions happiness sadness anger and in the final chapter this Author's vision of why dogs go to heaven you will feel the unconditional love given to man only from God and Dog We all have heard the Gospel stories of Jesus but the Author tastefully injected a loving companion dog into some of these beautiful stories He knew some might take offense with him messing with the Gospels but he is a man of great faith as well as a dog parent and he takes great pain in writing this book so as to not change the Gospel's real meaning The best way to see if this book is for you is to hit the look inside button and you will be able to read the full chapter before you buy There are a few purely fictional chapters that were added but they are respectfully written and take nothing from the scriptures **Silanus, the Christian** Edwin Abbott Abbott,1906 An autobiography of an imaginary character who in the second year of Hadrian A.D. 118 becomes a hearer of Epictetus and a Christian convert Preface [Jesus My Son](#) Mary Bailey,2012-01-12 Did Mary keep a journal We know she kept one in her heart but what if she had only written her account of the activities of her sons ministry What insights might we gain through her conversations with the weary travelers who stopped at the carpentry shop to discuss Jesus actions Through Mary's conversations with the people who received some of these miracles we are given a new point of view of the environment at that time and the background of the people involved Were the scribes and Pharisees and even Jesus brothers justified in their condemnation of Jesus teaching Did Mary ever doubt her sons actions even though she knew He was conceived by the Holy Spirit Her journal entries provide possible

answers to questions often asked of Jesus ministry Mary even introduces a few new miracles that were not included in the scriptures As John tells us in 21:25 And there are also many other things which Jesus did which if they were written in detail I suppose that even the world itself would not contain the books that would be written This heartwarming rendition of Jesus ministry through the eyes of His mother provides a fresh perspective to some very old stories
