Rope Rescue for Firefighting Ken Brennan,1998 A step by step guide for rope rescue Chapter illustrations cover knots ascent rigging systems and anchor points Identifies critical techniques required for rope rescue This book helps to establish effective and safe technical rope rescue operations Brennan begins by aiding you in identifying the risks in the area that you are operating in and assessing your organizational strengths and needs then follows with a discussion of the various rope rescue components Includes illustrations of the knots and systems mentioned **Firefighting Operations in High-Rise**

and Standpipe-Equipped Buildings David M. McGrail,2007 This book establishes a proper firefighting mindset and promotes maintaining preparedness for the extreme physical and mental demands of firefighting operations in high rise and standpipe equipped buildings Among the many valuable topics covered in this book are standpipe system pressure regulating devices pressure restricting devices and pressure reducing valves cautious and disciplined elevator use during high rise operations elevator rescue operations proper engine company suppression selection including techniques to operate more powerful firefighting weapons with limited manpower air support operations during high rise emergencies with or without an internal resource Florida Administrative Weekly ,2001 Essentials of Fire Fighting Ifsta,2008 Since the first edition of Essentials of Firefighting was published in 1978 more than 2 million firefighters have used the manual for training Because so many successful firefighters have trained from this manual over three decades Essentials of Fire Fighting is often referred to as the bible of basic firefighter skills In addition the information in Essentials is commonly accepted as the standard for fire fighting knowledge in North America This 5th edition is a completely new revision and includes all the information needed to meet the fire fighting requirements for National Fire Protection Association NFPA 1001 Standard for Fire Fighter Professional Qualifications 2008 edition Fire Fighter Levels I and II All photographs and illustrations are in full color This manual includes instructional tools such as learning objectives key terms case histories and review questions in each chapter to enhance a student s understanding To help students with psychomotor learning skill sheets depicting firefighter skills are included in most chapters These feature step by step photographs and instructions for completing each skill Each manual also includes a bonus CD ROM that provides additional learning materials case studies animations and learning activities

Subject Guide to Books in Print ,1991 **Scientific and Technical Books and Serials in Print** ,1984 *Online Public Access Catalog Training Manual* Illinois Fire Service Institute. Library,2000 **Essentials of Fire Fighting , 5th Ed., Student Workbook** Beth Ann Fulgenzi,International Fire Service Training Association,Melissa Noakes,Michelle Skidgel,2007 The student workbook is intended as a study aid for students who will be participating in a class based on both the Essentials of Fire Fighting 5th edition manual and the Essentials of Fire Fighting and Fire Department Operations 5th edition manual Instructors may choose to integrate these workbook activities into their classes or use them as homework assignments or pre course work Answers to the exercises are in the curriculum materials not in the workbook The

information is divided into Firefighter I and Firefighter II sections Different types of questions and activities are used to reinforce different learning styles and best present the information that is being addressed References to page numbers are included in the workbook so students can use the product as a self study tool by referring to the manual for correct answers The use of the workbook will help improve student performances Fire Technology Abstracts ,1978 *Bowker's Complete Video Directory*, 1999 ,1999 **Associations' Publications in Print** ,1981 1981 in 2 v v 1 Subject index v 2 Title index Publisher title index Association name index Acronym index Key to publishers and distributors abbreviations Essentials of Fire Fighting Textbook International Fire Service Training Association,2013 The 6th edition is completely revised for todays firefighters and begins the next 35 years of excellence for the manual and for the firefighters who use it The 6th edition contains all the information and skills needed to meet the requirements for NFPA 1001 Standard for Fire Fighter Professional Qualifications 2013 Edition This manual includes all new learning objectives key terms noted in boxes in the margins of each chapter case histories and all new review questions in each chapter designed to enhance a students understanding The content is presented in a single column format proven most effective for reading comprehension for adult learners Warnings Cautions and Safety Alerts emphasize safety at all times for new firefighters mastering basic skills Skill sheets show safe methods for performing each firefighter skill Each chapter clearly delineates Fire Fighter I knowledge and skills from Fire Fighter II addressing each in separate sections of the chapters Photographs are enhanced with graphics all illustrations are new and improved there are additional tables to make content more relevant for visual learners Appendix A is a correlation matrix for all NFPA 1001 JPRs referenced to page numbers for each knowledge and skill requirement Essentials of Fire Fighting ,2007 This new addition to the Essentials product line is a sturdy wire bound handbook containing all of the skill sheets found in both the Essentials of Fire Fighting 5th edition manual and the Essentials of Fire Fighting and Fire Department Operations 5th edition manual The skills sheets in the handbook provide more detail and are more heavily illustrated than those in the manuals It is intended to serve as a supplemental quick reference for students as well as a valuable instructor resource tool Instructors will find this handbook helpful in referencing particular skills while performing evolutions on the training ground It is also helpful as a reference tool for test evaluators to ensure that the evolutions are being performed correctly If there are any questions as to the appropriateness of a technique being used the instructor can open the handbook to the correct skill sheet and review it with the student right there in the field The sturdy design and wire binding allow it to lay flat on any object in the field **Paperbound Books in Print** ,1991 **Forthcoming Books** Rose Army,1996-10 **Essentials of Fire Fighting** International Fire Service Training Association,2013 The Skill Sheet Handbook is a sturdy wire bound handbook of all 192 firefighter skills found in the Essentials of Fire Fighting and Fire Department Operations and the Skill Evaluation Checklists found in the curriculum These skill sheets provide more detail and are more heavily illustrated than those at the end of each chapter The Skill Sheet Handbook is designed to be used

outdoors in the demanding firefighter training environment withstanding water and repeated use It lays flat for easy reference while students practice skills This rugged tool is intended to serve as a quick reference for students as well as a valuable instructor resource when preparing students for the skill portion of end of course and firefighter certification exams
