Volume 4. the Mormon Missionary Lessons - A Conspiracy to Deceive.** Jim Whitefield, 2012-10-01 The fourth in The Mormon Delusion series tracks the Mormon Missionary Lesson Manual as taught to investigators and lesson by lesson exposes and explains the truth behind the false teachings At every stage unsuspecting investigators are taught a fictional account of Mormon history and teachings by faithful missionaries who themselves have no idea they are teaching provable fiction This book exposes the underlying truth behind Joseph Smith's original fraudulent claims and modern day fictional Mormon teachings Evidence from within Mormon Church history and Mormon so called scripture proves conclusively that the Mormon Church continues in a conspiracy to deceive its own members missionaries and their investigators alike At the end of a journey through this book there will be nothing left for an investigator to take to the Lord in prayer in order to obtain an answer as to whether what the Mormon Church teaches is true Common sense and reason alone will be enough to determine the truth of the matter Apocalypse Randal S. Chase, 2016-10-31 Apocalypse The Great Day of the Lord for the Righteous is a positive look at the positive events of the Apocalypse Just saying the word brings to mind the idea of mass destruction Many think of a fiery end to life on earth or of zombies shuffling ominously through the streets Focusing on the

negative makes it an unpleasant subject Contrary to these ideas this book on the Apocalypse focuses on the great blessings that the righteous will receive when the Lord comes a great and glorious day with no fear of the destruction that will simultaneously come down upon the heads of the wicked For the wicked it will indeed be a dreadful day and they will call upon the mountains and rocks to hide them when the full fury of the Lord's anger is poured out upon them see Revelation 6 16 For the righteous it will be a day of unimaginable joy a day of resurrection of peace of safety and of living under the rule of our Eternal King the Lord Jesus Christ If we remember this we can more fully appreciate the great day aspect of the Second Coming of Christ as opposed to a fearful approach That is the purpose of this book so that we along with the Apostle John on the Isle of Patmos will feel to say Even so come Lord Jesus Revelation 22 20 The cover features a stunning image of the Lord descending through the clouds of glory as painted by Del Parson

Andersen, 2023-02-02 One led our country through the Civil War and out of slavery The other founded a religious movement that is today the nation's fastest growing Christian denomination So what could Abraham Lincoln and Joseph Smith possibly have in common According to Lincoln Leadership Society president Ron Andersen more than you would think Besides both being hardworking and hardly educated Lincoln and Smith also held surprisingly comparable and unpopular views on slavery and the nature of God But the most striking similarities between the two men are uncovered in historical records in Illinois where each was living and gaining critical momentum in the 1840s You'll see new sides to these important historical figures as you discover Smith's stance on the abolition movement or Lincoln

Harrell,2011-08-05 The principal doctrines defining Mormonism today often bear little resemblance to those it started out with in the early 1830s This book shows that these doctrines did not originate in a vacuum but were rather prompted and informed by the religious culture from which Mormonism arose Early Mormons like their early

Christian and even earlier Israelite predecessors brought with them their own varied culturally conditioned theological presuppositions a process of convergence and only later acquired a more distinctive theological outlook a process of differentiation In this first of its kind comprehensive treatment of the development of Mormon theology Charles Harrell traces the history of Latter day Saint doctrines from the times of the Old Testament to the present He describes how Mormonism has carried on the tradition of the biblical authors early Christians and later Protestants in reinterpreting scripture to accommodate new theological ideas while attempting to uphold the integrity and authority of the scriptures In the process he probes three questions How did Mormon doctrines develop What are the scriptural underpinnings of these doctrines And what do critical scholars make of these same scriptures In this enlightening study Harrell systematically peels back the doctrinal accretions of time to provide a fresh new look at Mormon theology This Is My Doctrine will provide those already versed in Mormonism s theological tradition with a new and richer perspective of Mormon theology Those unacquainted with Mormonism will gain an appreciation for how Mormon theology fits into the larger Jewish and Christian theological traditions Ensign ,2004 **Lifetime** Jesus Salazar,2013-04-29 This book is to help member s of The Church Of Jesus Christ Of Latter Day Saints prepare for a mission It will give you guided advice on what to do and exactly how to do missionary work
