Volume 4. The Mormon Missionary Lessons - A Conspiracy to Deceive.** Jim Whitefield, 2011-02-09 The fourth in The Mormon Delusion series tracks the Mormon Missionary Lesson Manual as taught to investigators and lesson by lesson exposes and explains the truth behind the false teachings At every stage unsuspecting investigators are taught a fictional account of Mormon history and teachings by faithful missionaries who themselves have no idea they are teaching provable fiction This book exposes the underlying truth behind Joseph Smith's original fraudulent claims and modern day fictional Mormon teachings Evidence from within Mormon Church history and Mormon so called scripture proves conclusively that the Mormon Church continues in a conspiracy to deceive its own members missionaries and their investigators alike At the end of a journey through this book there will be nothing left for an investigator to take to the Lord in prayer in order to obtain an answer as to whether what the Mormon Church teaches is true Common sense and reason alone will be enough to determine the truth of the matter *Establishing Zion* Randal S. Chase, 2017-08-15 *Establishing Zion* Preparing the Earth for the Return of Jesus Christ is a review of all the Zion societies that have been attempted and or achieved since the Zion of Enoch This includes the Zion of Enoch the Zion of Melchizedek the attempted Zion of Moses the Zion of the early Christian Church and the Zion achieved by the Nephites in the New World The book then discusses the attempt in our own last days to establish a Zion society in anticipation of the Second Coming of Jesus Christ to the earth The essential characteristics of a Zion society such as the Law of Consecration are described along with a review of the efforts of the Latter day Saints to establish such a community Finally the book describes the eventual triumph of Zion at Jerusalem and New Jerusalem along with the return of Jesus Christ to rule and reign in these celestial cities The cover features a beautiful image of the New Jerusalem descending through the clouds of glory **Hold Onto Your Celestial Dreams** Terry Hardy Olsen, 2012-05-17 Temple marriages are supposed to last forever right Then why do so many of them end in divorce In an effort to learn what it takes to have a marriage withstand the test of time and eternity as well as discover how to capture the

sparkle and magic seen between more seasoned couples I put in countless hours of study prayer and application This book has been a labor of love which includes those insights and discoveries that I wish to share with all who fervently desire to see theirs and their loved ones Celestial dreams come true Terry Olsen *Abraham Lincoln and Joseph Smith: How Two Contemporaries Changed the Face of American History* Ron L. Andersen, 2023-02-02 One led our country through the Civil War and out of slavery The other founded a religious movement that is today the nation s fastest growing Christian denomination So what could Abraham Lincoln and Joseph Smith possibly have in common According to Lincoln Leadership Society president Ron Andersen more than you would think Besides both being hardworking and hardly educated Lincoln and Smith also held surprisingly comparable and unpopular views on slavery and the nature of God But the most striking similarities between the two men are uncovered in historical records in Illinois where each was living and gaining critical momentum in the 1840s You ll see new sides to these important historical figures as you discover Smith s stance on the abolition movement or Lincoln s vouch for the Mormon vote Find out how two young backwoods boys crossed paths and led parallel lives before each was martyred for his cause in this exhaustively researched dual biography Apocalypse Randal S. Chase, 2016-10-31 Apocalypse The Great Day of the Lord for the Righteous is a positive look at the positive events of the Apocalypse Just saying the word brings to mind the idea of mass destruction Many think of a fiery end to life on earth or of zombies shuffling ominously through the streets Focusing on the negative makes it an unpleasant subject Contrary to these ideas this book on the Apocalypse focuses on the great blessings that the righteous will receive when the Lord comes a great and glorious day with no fear of the destruction that will simultaneously come down upon the heads of the wicked For the wicked it will indeed be a dreadful day and they will call upon the mountains and rocks to hide them when the full fury of the Lord s anger is poured out upon them see Revelation 6 16 For the righteous it will be a day of unimaginable joy a day of resurrection of peace of safety and of living under the rule of our Eternal King the Lord Jesus Christ If we remember this we can more fully appreciate the great day aspect of the Second Coming of Christ as opposed to a fearful approach That is the purpose of this book so that we along with the Apostle John on the Isle of Patmos will feel to say Even so come Lord Jesus Revelation 22 20 The cover features a stunning image of the Lord descending through the clouds of glory as painted by Del Parson *Wrestling the Angel* Terryl Givens, 2015 *Wrestling the Angel* is the first in a two part study of the foundations of Mormon thought and practice The book traces the essential contours of Mormon thought as it developed from Joseph Smith to the present Terryl L Givens one of the nation s foremost scholars of Mormonism offers a sweeping account of the history of Mormon belief revealing that Mormonism is a tradition still very much in the process of formation **YOUNG WOMEN MANUAL 2** ,1993 To My Children Chad Michael McDonald, 2015-04-21 Reaching across the chasm of his bipolar disorder and separation from his children Chad shares with us his deepest and most intimate thoughts for his childrens spiritual future Sometimes using his own experiences to model a lesson and at other times clearly relying on spiritual depths

Chad teaches his children those life lessons that were missing from his life as he grew up lessons he has learned in the Church of Jesus Christ of Latter Day Saints With an unfathomable love for his children his teachings range from the simple such as faith and hope to the more complex and controversial such as how Christians and the LGBT community should treat each other and the role of just governments in our lives Chad leaves almost nothing out with regards to how Christians should behave and what their ultimate relationship to Deity will be if they will hearken to the Gospel Thoughtfully looking into basic Christian Doctrines and the potential of humanity To My Children Love Dad puts you into a position to explore your own relationship with Deity and encourages you to bring the family along the path to Heaven beginning today **Reference**
