*Metrics* Vincanne Adams, 2016-03-05 This volume s contributors evaluate the accomplishments limits and consequences of using quantitative metrics in global health Whether analyzing maternal mortality rates the relationships between political goals and metrics data or the links between health outcomes and a program s fiscal support the contributors question the ability of metrics to solve global health problems They capture a moment when global health scholars and practitioners must evaluate the potential effectiveness and pitfalls of different metrics even as they remain elusive and problematic Contributors Vincanne Adams Susan Erikson Molly Hales Pierre Minn Adeola Oni Orisan Carolyn Smith Morris Marlee Tichenor Lily Walkover Claire L Wendland

**Collision of Power** Martin Baron, 2023-10-03 A closely observed gripping chronicle of politics and journalism during a decade of turmoil The New York Times Book Review Politics Money Media Tech It s all here in Collision of Power All the President s Men for a new generation Town Country Marty Baron took charge of The Washington Postnewsroom in 2013 after nearly a dozen years leading The Boston Globe Just seven months into his new job Baron received explosive news Jeff Bezos the founder of Amazon would buy the Post marking a sudden end to control by the venerated family that had presided over the paper for 80 years Just over two years later Donald Trump won the presidency Now the capital s newspaper owned by one of the world s richest men was tasked with reporting on a president who had campaigned against the press as the lowest form

of humanity Pressures on Baron and his colleagues were immense and unrelenting having to meet the demands of their new owner while contending with a president who waged a war of unprecedented vitriol and vengeance against the media In the face of Trump s unceasing attacks Baron steadfastly managed the Post s newsroom Their groundbreaking and award winning coverage included stories about Trump s purported charitable giving misconduct by the Secret Service and Roy Moore s troubling sexual history At the same time Baron managed a restive staff during a period of rapidly changing societal dynamics around gender and race In *Collision of Power* Baron recounts this with the tenacity of a reporter and the sure hand of an experienced editor The result is elegant and revelatory an urgent exploration of the nature of power in the 21st century

*The Instability of Truth* Rebecca Lemov, 2025-03-25 An acclaimed historian of science uncovers the hidden history of brainwashing and its troubling implications for today Because brainwashing affects both the world and our observation of the world we often don t recognize it while it s happening unless we know where to look As Rebecca Lemov writes in *The Instability of Truth* Brainwashing erases itself What we call brainwashing is more common than we think it is not so much what happens to other people as what can happen to anyone *The Instability of Truth* exposes the myriad ways our minds can be controlled against our will from the brainwashing techniques used against American POWs in North Korea to the soft brainwashing of social media doomscrolling and behavior shaping In our increasingly data driven world anyone can fall victim to mind control Lemov identifies invasive forms of emotional engineering that exploit trauma and addiction to coerce and persuade in everyday life Tracing the word brainwashing from deep in the files of an operative of the U S Office of Strategic Services in the 1950s to the pioneering research of Robert Jay Lifton to the public trials of cult leaders and the case of Patty Hearst Lemov also studies how the idea of mind control has spread across the globe and penetrated courtrooms secret labs military schools and today s digital sites *The Instability of Truth* offers lessons from mind control episodes past and present Truth is always subject to question in more mundane walks of life than most people believe and Lemov equips us for the increasing challenges we face from social media AI and an unprecedented global form of surveillance capitalism *The Instability of Truth* develops a rigorous new understanding of both brainwashing s paradoxes and its emotional roots by giving voice to brainwashers the brainwashed and third party observers alike
