## **Mazda Car Service Artarmon:**

**The Child's Play Mazda 3** Arnaud Pauly, 2018-01-03 The Child's Play Mazda 3 explains step by step with a picture for each how to do the service of your Mazda 3. It is based on the certainty that everyone can do it if clearly explicated and shown. Because it is very simple, this manual is suitable for the MAZDA 3 FIRST GENERATION 2003-2007 ENGINE 1.6 L MZ CD COMMON RAIL DIESEL 109 PS 80 KW 240 N M 177 LB FT. It contains an accurate list of the tools you need, a detailed procedure to do your Mazda 3 service, but also to check and replace your brakes pads and discs. You will see an example of the service book you should keep up to date and the scheduled maintenance for all the tasks that have to be done to keep your car in the best conditions. The main goal is to save money. For each maintenance, it will cost you from 35€ to 50€ maximum, while it costs more than 200€ at your car dealer. You save at least 150€ per service. More than money, you save time here. We assure you that after the first learning, you will not need more than 30 minutes. Better than go to the car dealer and wait for two hours. The Child's Play Maintenance manuals have the goal to allow anyone to do its car service himself. We think your mechanic charges far too much for what it is, and we want you to avoid this useless expense. The Child's Play Mazda 3 is the first of the series; each manual is specific to a single model, location of the parts are different, as the way to replace them.
