This guidance update is effective for contract year 2019. All enrollments with an effective date on or after January 1, 2019, must be processed in accordance with the revised requirements, including new enrollment forms and notices, as applicable. If disenrollment steps of these updates implement any new requirements consistent with this guidance prior to the required implementation date.

It is expected that organizations will remain compliant with all Medicare Advantage requirements described in this chapter regarding communications, deals with beneficiaries/enrollees, including the use of the model notices, and the requirements outlined in the Medicare Communications and Marketing Guidelines (4012002).

Organizations are required to provide information to individuals in a comprehensible format (for example, large print, Braille, audio, sign, large print, Braille, or audio) in a format of the individual's choice if the individual is or of 2013 local language services. The individual's oral consent is required for participation in programs or enrollment, pending program rules, and implementing with the plan or entity to be enrolled, request or enrollment forms.
