

Important suggestions to examinees:

1. The answers should be evaluated by key words and not as word-to-word as given in the model answer scheme.
2. The model answer and the answer written by candidate may vary but the examiner may try to assess the understanding level of the candidate.
3. The language errors such as grammatical, spelling errors should not be given more importance. Mark applicable for subject English are communication skills.
4. While assessing figures, examiner may give credit for principle components indicated in a figure. The figures drawn by candidate and model answer may vary. The examiner may give credit for any equivalent figure drawn.
5. Credits may be given (not rate) for numerical problems. In some cases, the assumed constant values may vary and there may be some difference in the candidate's answers and model answer.
6. In case where questions credit may be given by judgment on part of examiner at relevant answer based on candidate's understanding.
7. For programming language (papers), credit may be given to any other program based on equivalent concept.
