*Understanding Sherman Alexie* Daniel Grassian, 2005 In this first book length examination of Native American poet novelist filmmaker and short story writer Sherman Alexie Daniel Grassian offers a comprehensive look at a writer immersed in traditional Native American as well as mainstream American culture Grassian explores Alexie's ability to counteract lingering stereotypes of Native Americans his

challenges to the dominant American history and his suspicion of the New Age movement Sherman Alexie Jeff Berglund, Jan Roush, 2011-10-31 A collection of critical essays on the writing and films of American Indian author Sherman Alexie Humor and Masculinity in U.S. Fiction Joseph L. Coulombe, 2024-11-08 Humor and Masculinity in U S Fiction offers a pragmatic and theoretically informed model for analyzing how humor and gender intersect in key U S texts bringing much needed attention to the complex ways that humor can support and or subvert reductive masculine codes and behaviors Its argument builds upon three major humor theories the incongruity theory superiority theory and relief theory to analyze how humor is used to negotiate the shifting constructions of masculinity and manhood in American culture and literature Focusing on explicit textual references to joking pranks and laughter Humor and Masculinity in U S Fiction offers well supported original interpretations of works by Mark Twain Owen Wister Dorothy Parker Zora Neale Hurston Joseph Heller Philip Roth and Sherman Alexie The primary goal of Humor and Masculinity in U S Fiction is to understand the multiple ways that humor performs and interrogates masculinity in seminal U S texts CRASH! Randy Malamud, 2024-12-12 CRASH explores the fascinating revealing and surprising cultural impact of plane crashes across art literature music media and creative nonfiction Plane crashes are covered extensively but they are not analyzed very deeply beyond rote media reports and forensic accident investigations This is despite the voluminous diverse and fascinating cultural materials poems and novels songs films art TV series and on and on that emerge in the wake of aviation disasters Randy Malamud reanimates these tragic events and identifies how they persist and resonate through our culture more than we might have imagined and in intricately far reaching ways A unique and extraordinarily wide ranging cultural examination CRASH takes the reader on a journey that includes reflections on flight phobia themes of crash survival with asides on Lord of the Flies The Little Prince and Ernest Hemingway s two day two crash adventure the existentialism of pilots last words the day the music died deep dives into modernist plane wreck paintings kamikaze pilots and their Zen death poems plane crashes before planes race crash and gender and the cultural aftermath of 9 11 Ultimately Malamud shows that crashes do not bring about complete and total destruction we accomplish some degree of restoration by shoring fragments against the ruins The plane is dead long live the plane **Encyclopedia of American Indian Literature** Jennifer McClinton-Temple, Alan Velie, 2015-04-22 Presents an encyclopedia of American Indian literature in an alphabetical format listing authors and their works Engaged Resistance Dean Rader, 2011-04-01 From Sherman Alexie s films to the poetry and fiction of Louise Erdrich and Leslie Marmon Silko to the paintings of Jaune Quick To See Smith and the sculpture of Edgar Heap of Birds Native American movies literature and art have become increasingly influential garnering critical praise and enjoying mainstream popularity Recognizing that the time has come for a critical assessment of this exceptional artistic output and its significance to American Indian and American issues Dean Rader offers the first interdisciplinary examination of how American Indian artists filmmakers and writers tell their own stories Beginning with rarely seen photographs documents and paintings from

the Alcatraz Occupation in 1969 and closing with an innovative reading of the National Museum of the American Indian Rader initiates a conversation about how Native Americans have turned to artistic expression as a means of articulating cultural sovereignty autonomy and survival Focusing on figures such as author director Sherman Alexie Flight Face and Smoke Signals artist Jaune Quick To See Smith director Chris Eyre Skins author Louise Erdrich Jacklight The Last Report on the Miracles at Little No Horse sculptor Edgar Heap of Birds novelist Leslie Marmon Silko sculptor Allen Houser filmmaker and actress Valerie Red Horse and other writers including Joy Harjo LeAnne Howe and David Treuer Rader shows how these artists use aesthetic expression as a means of both engagement with and resistance to the dominant U S culture Raising a constellation of new questions about Native cultural production Rader greatly increases our understanding of what aesthetic modes of resistance can accomplish that legal or political actions cannot as well as why Native peoples are turning to creative forms of resistance to assert deeply held ethical values

**Reading the Canon** Philipp Löffler, 2017-03-02 Reading the Canon explores the relation between the production of literary value and the problem of periodization tracing how literary tastes particular reader communities and sites of literary learning shape the organization of literature in historical perspective Rather than suggesting a political critique of the canon this book shows that the production of literary relevance and its tacit hierarchies of value are necessary consequences of how reading and writing are organized as social practices within different fields of literary activity Reading the Canon offers a comprehensive theoretical account of the conundrums still defining contemporary debates about literary value the book also features a series of historically inflected author studies from classics such as Shakespeare and Thomas Pynchon to less likely figures such as John Neal and Owen Johnson that illustrate how the idea of literary relevance has been appropriated throughout history and across a variety of national and transnational literary institutions *American Indians and Popular Culture* Elizabeth DeLaney Hoffman, 2012-02-22 Americans are still fascinated by the romantic notion of the noble savage yet know little about the real Native peoples of North America This two volume work seeks to remedy that by examining stereotypes and celebrating the true cultures of American Indians today The two volume American Indians and Popular Culture seeks to help readers understand American Indians by analyzing their relationships with the popular culture of the United States and Canada Volume 1 covers media sports and politics while Volume 2 covers literature arts and resistance Both volumes focus on stereotypes detailing how they were created and why they are still allowed to exist In defining popular culture broadly to include subjects such as print advertising politics and science as well as literature film and the arts this work offers a comprehensive guide to the important issues facing Native peoples today Analyses draw from many disciplines and include many voices ranging from surveys of movies and discussions of Native authors to first person accounts from Native perspectives Among the more intriguing subjects are the casinos that have changed the economic landscape for the tribes involved the controversy surrounding museum treatments of American Indians and the methods by which American Indians have fought back against pervasive ethnic stereotyping *The Poetics and Politics of Hospitality in U.S. Literature and Culture* , 2020-06-15 The Poetics and Politics of Hospitality in U S Literature and Culture explores hospitality in a range of cultural expressions from a variety of approaches The authors analyze and discuss forms of hospitality in canonical literature ethnic literatures language or movies These span from the classical to the contemporary and include a focus on language power hybridism and sociology The common theme in these contributions is that of American identity By looking at a diversity of representations of American culture using a multiplicity of approaches the authors convey the richness of American hospitality as a vital aspect of its culture **Tribal Television** Dustin Tahmahkera, 2014-10-30 Native Americans have been a constant fixture on television from the dawn of broadcasting when the iconic Indian head test pattern was frequently used during station sign ons and sign offs to the present In this first comprehensive history of indigenous people

in television sitcoms Dustin Tahmahkera examines the way Native people have been represented in the genre Analyzing dozens of television comedies from the United States and Canada Tahmahkera questions assumptions that Native representations on TV are inherently stereotypical and escapist From The Andy Griffith Show and F Troop to The Brady Bunch King of the Hill and the Native produced sitcom Mixed Blessings Tahmahkera argues that sitcoms not only represent Native people as objects of humor but also provide a forum for social and political commentary on indigenous settler relations and competing visions of America Considering indigenous people as actors producers and viewers of sitcoms as well as subjects of comedic portrayals Tribal Television underscores the complexity of Indian representations showing that sitcoms are critical contributors to the formation of contemporary indigenous identities and relationships between Native and non Native people

**9/11 Culture** Jeffrey Melnick, 2011-09-15 9 11 Culture serves as a timely and accessible introduction to the complexities of American culture in the wake of the 9 11 attacks Gives balanced examinations of a broad catalogue of artifacts from film music photography literary fiction and other popular arts Investigates the ways that 9 11 has exerted a shaping force on a wide range of practices from the politics of femininity to the poetics of redemption Includes pedagogical material to assist understanding and teaching including film and discographies and a useful teachers preface

**(Post)Colonial Passages** Silvia Albertazzi, Francesco Cattani, Rita Monticelli, Federica Zullo, 2019-01-15 While entailing a subversive re vision of colonial histories geographies and subjectivities the post colonial condition has unleashed a chain of movements relocations and re writings that interrogate the globalized and neoliberal society Ethnic racial religious gendered and sexual identities have been called into question and requested to re define name and re name themselves to find new ways to tell their stories histories The very term postcolonial has triggered well known controversial debates its adoption is significant of a cultural politics involving the colonial past controversial crisis in the present and an open perspective toward alternative futures Confronting literature and the arts from a postcolonial perspective is a critical and political task involving theories and cultural productions crossing barriers amongst fields of knowledge The essays gathered here discuss postcolonialism as a transdisciplinary field of passages that negotiate among diverse yet interrelated cultural fields
