The Naked Pilot David Beaty,2011-09-16 Investigations into the causes of aircraft accidents have for decades focused on what happened and who did it very rarely Why It is the question Why that David Beaty has addressed here fighting the misnomer of pilot error and propounding that the cause should be sought deeper inside human beings who make apparently simple human errors The Naked Pilot makes fascinating and compulsive reading It should be compulsory reading for all trainee and experienced pilots alike as well as air traffic controllers corporate managers and aircraft manufacturers Business Aviation

The Little Book of Aviation Norman Ferguson,2013-05-01 The Little Book of Aviation is a collection of facts figures and interesting stories from the world of flight Sad humorous baffling and astounding stories abound from the pioneering days of the Wright Brothers to the present day and covering everything from great milestones famous names who ve served and the greatest of aircraft icons phantom pilots and aircraft and a glossary of slang the origins of plane spotting and unusual aircraft names great feats and enduring mysteries lucky escapes and great aircraft in the movies the trivia is limitless and will appeal to everyone whether you want help telling your Spitfire from your Messerschmitt or you know a Spitfire I from a Spitfire II

Servants on the Move Francisca E. Oyogoa,2024-07-08 What explains racial and gender inequality in the workplace Using firm level data from railroad airline and cruise ship companies the central questions addressed in this book are why and how did race gender hierarchies get created maintained legitimized and challenged on trains airplanes and cruise ships The author focuses on employers role in producing inequality among workers by examining management s actions and their own expressed race gender ideology regarding service workers in Pullman Railroad Company 1860s to 1960s the four major U S airlines 1930s to 1970s and U S owned cruise companies 1970s to 2000s In addition to being driven by the profit motive these men made hiring decisions that reflected their own stated beliefs about race gender and nationality In all three instances company executives consciously decided to create a work environment that was hierarchically segregated along race and gender lines Once employers decided to typecast a new job as best suited for one group of people they inscribed workers social identities on the performance of these jobs Notably White men were the only group never deemed naturally suited for serving others
