**Youth and Sexuality in the Twentieth-Century United States** John C. Spurlock, 2015-07-16 When did the sexual revolution happen Most Americans would probably say the 1960s In reality young couples were changing the rules of public and private life for decades before By the early years of the twentieth century teenagers were increasingly free of adult supervision and taking control of their sexuality in many ways Dating going steady necking petting and cohabiting all provoked adult hand wringing and advice most of it ignored By the time the media began announcing the arrival of a sexual revolution it had been going on for half a century *Youth and Sexuality in the Twentieth Century United States* tells this story with fascinating revelations from both personal writings and scientific sex research John C Spurlock follows the major changes in the sex lives of American youth
