H500

Bluetooth®
Handsfree Headset

Get Connected in
4 Quick Steps

- 1 CHARGE
- 2 START
- 3 BLUETOOTH
FEATURE
- 4 PAIR
- 5 TEST AND USE

BEFORE YOU BEGIN

Before using this product, read the Important Safety and Usage Information, Important Warnings, and Instructions.

Take a moment before you get started to familiarize yourself with your new H500 Handsfree Headset.

1 CHARGE Your Headset's Battery

Charge your headset's battery for 2 hours.

- 1 Plug the Motorola charger into the end of the headset.

The blue indicator light turns on when the battery is charging. It may take up to 1 minute for the light to turn on. When the headset's battery is fully charged (about 2 hours), the blue indicator light turns off.

- 2 Unplug the charger from the headset.

Note: Headset is not functional until charging.

2 START BLUETOOTH Feature On Your Phone

Your phone's Bluetooth feature is off by default. To use your headset, turn on the Bluetooth feature in your phone.

For most Motorola phones:

- 1 Select **Menu** > **Settings** > **Connectivity** > **Bluetooth On** > **Setup**.

- 2 Scroll to **Power**.

- 3 Press **Change**.

- 4 Scroll to **On**.

- 5 Press **Select** to turn on the Bluetooth feature. Bluetooth feature reboots on and you turn it off.

Note: These steps are for most Motorola phones. For other phones, ask your phone's user's guide.

TROUBLESHOOTING

My phone does not find my headset.
Make sure the blue light on your headset is steadily lit when your phone is searching for devices (see step 2).

My headset worked before but now it's not working.
Make sure your phone is on and the Bluetooth feature is turned on in your phone (see step 2). If the Bluetooth feature has been turned off or was turned on only temporarily, you may need to restart the Bluetooth feature (see step 2). If you have confirmed the Bluetooth feature is on in your phone, pair your phone and headset again (see step 3).

3 PAIR Your Headset

Step 4 - PUT HEADSET IN PAIRING MODE

Before you can use your headset, you must pair (link) it with your phone.

- 1 With the headset power off, press and hold the Call button for 5 to 10 seconds until the blue indicator light turns on and remains steadily lit. (The light will flash while you hold the Call button.)

- 2 If the indicator light is flashing or does not remain steadily lit, turn off the headset and repeat step 1.

Note: Turn off headset, set "Turnphone on/off" in the owner's side of this guide.

PAIR Your Phone

Step 5 - SET THE PHONE TO LOOK FOR YOUR HEADSET

For most Motorola phones:

- 1 Select **Menu** > **Settings** > **Connectivity** > **Bluetooth On** > **Headset** > **Look for Device**.

The phone lists all Bluetooth devices it finds.

- 2 Select **Motorola H500**.
- 3 Press **OK** or **Yes** to pair link the handsfree device.

- 4 Enter the passkey **0000** and press **OK**.

Note: Passkey cannot be changed from 0000.

When your headset is successfully paired with your phone, the blue indicator light changes from steadily lit to flashing.

Note: These steps are for most Motorola phones. For other phones, ask your phone's user's guide.

4 TEST AND USE

Your phone and headset are now paired and ready to make and receive calls. To confirm they are operating properly, make a call.

- 1 Place the headset over your ear. See "Wearing the Headset" on the owner's side of the guide.

- 2 On your phone, dial the number you want to call and press the **Call** key.

- 3 If your phone and headset are successfully paired, you will hear ringing on the headset.

After you have successfully paired your phone and headset, you do not need to repeat these initial setup steps each time you use the headset.

USING YOUR H500

See **Features and Functions Guide** on the owner's side of this guide for information on using your H500.
