

HTC TV MAX

REMOTE GUIDE

Microphone: This allows you to speak a command into the search bar within the HTC TV MAX App and search for channels and shows. This feature can only be used within HTC TV MAX via the search engine. To activate this button, press and hold it.

Back Button

Home Button: To back out of whatever you may be watching or doing, you can press the home button. This will take you directly to the home screen of your Firestick.

Volume Button

This wheel is 1 of the 2 main buttons you will use to control the HTC TV MAX app. It is your directional button which allows you to navigate the app. To select an option (like a channel, show or movie) click the center of the wheel.

The button with the three lines is the second-most important you will use to navigate HTC TV MAX. When you click this button, it will display your menu and options. On the menu page, you will see Home, Guide, Shows, Movies and your Profile.

Home: Displays your most recently watched channels, favorite channels, recommendations and recordings.

Guide: Here you can view what is currently playing and what is upcoming.

Shows and Movies: These options take you to a bank of more than 20,000 hours of shows and movies available for viewing.

Profile: Here you can find your recording, scheduled recordings and amount of recording hours available.
